

Terms and Conditions of Puppy Deposit for Australian Shepherds:

By placing a deposit and reserving a puppy from Colibri Acres and Farm LLC (we the breeder) and you (buyer) agree to the following terms and conditions:

Puppy deposits are non-refundable.

The Buyer understands that once a deposit is made, it is a commitment to buy said puppy and is therefore NON-REFUNDABLE. By putting a deposit down, you are agreeing to purchase a puppy from the stated or upcoming litter. Deposits for the puppy are non-refundable EXCEPT in the event we can't provide you the agreed upon puppy (i.e. the litter does not produce the number of puppies). We do keep a list of requests for preferences once a deposit is made however, we can never guarantee color, patterning or gender for any of our litters. Once puppies are born, we try to accommodate those preferences you requested as best as we can. You may choose to have your deposit refunded, elect to transfer the deposit to another upcoming litter or apply the deposit to another puppy if one is available.

Please remember that when you place a deposit, we will hold that puppy for you. In return, we have agreed not to sell it to another buyer. We DO NOT make refunds based on color or coat patterns. Buyer understands that there is no guarantee to size, weight, and/or eye/body color of a puppy at maturity. If you do not make your selection when it is your turn you will forfeit your place in line and be added to the end of the list. We guarantee the health of the puppy for 2 years. To ensure the puppies are healthy for their new homes, they will have received their first puppy vaccination and worming at appropriate intervals as well as a vet check at 6 weeks of age.

Balance due is payable on or before the day of puppy pick-up. Please Note: Remaining balance is due to breeder before this dog is placed in the Buyer's possession. Registration papers will also be held until balance is paid in full..

Puppy pick-up date.

The puppy pick-up date is based on breeder's estimation of when the puppy will be naturally weaned and ready to be placed in its new home, which is approximately 8 weeks of age. Breeder reserves the right to retain the puppy past the original agreed upon pick-up date if it is found to be beneficial to the health and well-being of the puppy. We will schedule your pick-up date soon after the puppies are born and will notify you if that date must change to a later date. If for some reason you must pick-up your puppy after the established pick-up date, please notify breeder so an alternative pick-up date can be scheduled.

Puppies are sold with registration papers.

Buyer understands that the puppy is being sold with limited registration through the AKC and ASCA. The buyer is responsible for registration with the AKC and ASCA and any applicable fees.

Our right to refuse a sale or to sell.

We reserve the right to void this transaction and refund the deposit if we are made aware of any reason why the buyer might not provide a suitable environment for a puppy.
