

PIONEER ARTIST ROX FRONTINI HOSTS PRIVATE EVENT FOR COLLECTORS DURING MIAMI ART WEEK, WITH LIVE ART & MUSIC PERFORMANCE

11/28/23 - Live performance is being taken to a new level by the singer-songwriter, painter and sculptor Roxana (ROX) Frontini, who will be singing and sculpting live for a select group of collectors and fans during Art Week Miami 2023.

The interdisciplinary artist, who has been called a Pioneer by Billboard Magazine due to her unique musical style and her transformational works of art, opens the doors of her studio in Miami for a very special private event. ROX will sing new versions of her singles AMAR INCONDICIONAL & UNCONDITIONAL LOVE, and unveil her homonymous art series over which she will be sculpting live with fabrics.

“It happened again! I created the songs and immediately I started seeing the paintings in my head. So, of course I had to make them a tangible reality. These songs and the fine art series, tell the story of what happens inside of us when we realize that LOVE is not an emotion, but a estate of being, and that the source of such state lives within ourselves, with an ever renewing, infinite source of vast unconditional love... if, and only if, we choose to stop criticizing and disrespecting ourselves.” said Roxana Frontini, a.k.a. ROX. “It is so easy to put ourselves down by feeding disempowering

internal dialogues, that I felt it would be useful to have a melody and lyrics that can rapidly help us get into an elevated state. And of course, a series of paintings that in second remind us what happens when we refuse to love ourselves unconditionally, versus what happens when we do.”
