

If you're religious, you'll HATE this book!

Because GOD shows up all by Himself and not because I follow rules right or use the right words. God's not about rules, God is love.

He gives me signs that make me wonder, and so will you.

God shows up in miracles because He loves me passionately, not because I've always loved Him.

What God does is outrageously good and if you're wondering 'What's so good about God?' Read! ~ Love, Joy

"and I will take for Myself faithful witnesses to record ..." Isaiah 8:2

Hi! You don't know me but I've read your stories on your page and pretty much think I know you. Actually, it's been a great source of inspiration to me in some really difficult times. God bless you, Ama

"I'll show up and take care of you just as I promised and I will bring you back Home. I know what I'm doing. I have it all planned out—plans to take care of you, not abandon you, plans to give you the great future you hope for." Jeremiah 29:11

YOUR LIFE IS PREPARATION FOR YOUR DESTINY ~ GREATNESS!

WARNING!

Do NOT read here looking for magic prayers and saints. Not here, not at all. You'll see God showing up and doing crazy wild things no one expected. I sure didn't.

If the word "God" makes you cringe and you hate people talking about Him, so did I.

But God just kept showing up and showing up until I saw Him. I fell in love with Him and so will you.

If you're not looking for God and highly doubt that He's looking for you, *He is,*

AND HE'S SMILING.

NOTE: These are true stories.
