LIHEAP Spring/Summer April 13th to May 30th 2025:

Low-Income Home Energy Assistance Program (LIHEAP) Spring Subsidy Cooling

The Low-Income Home Energy Assistance Program (LIHEAP) Spring Subsidy enrollment will begin on April 15 and run through May 30, 2025.

Household Size	Monthly Income	Household Size	Monthly Income
1	\$1,956	5	\$4,706
2	\$2,644	6	\$5,394
3	\$3,331	7	\$6,081
4	\$4,019	8	\$6,769
Add \$688 for each additional family member			

Eligible households can apply for a one-time benefit depending on housing category, fuel type, and income level to offset the cost of their household's home heating costs. The benefits are paid directly to the household's energy vendor. Interested households should contact their local Audubon Area Community Services office.

Spring Subsidy DOES NOT require a disconnect notice, a past due bill, or eviction notice. The Subsidy benefit can be applied as a credit on your account. Assistance received during previous LIHEAP components does not affect household's eligibility.
