

Michelle P. Waiver

Provides services for persons who are diagnosed with a developmental or intellectual disability, who also require a protected environment while learning living skills, educational experiences, awareness of their environment **AND** meet Medicaid financial eligibility requirements.

Basics of the Michelle P. Process

- Assessor from RiverValley interviews participant and family
 - If the participant's needs meet criteria for waiver, Level of Care (LOC) will be approved. Level of Care will be reassessed every year.
- Upon approval of LOC, the participant's family chooses a case management agency.
- Case Manager contacts the family and schedules initial visit to discuss services, create Plan of Care, and sign initial paperwork. Case Manager also sends the MAP 10 form to the participant's doctor. The doctor must sign the form to confirm diagnosis and recommend waiver services.
- Case manager completes initial visit with participant and family. This includes a detailed discussion regarding the services the family would like to request and service providers they have chosen. If the family chooses to Participant Direct – a PDS Representative must be designated, and employee hire packets will be provided to complete the hiring process. If the family requests a traditional service, the case manager must send a referral to the chosen traditional agency and wait for confirmation that the agency has accepted the client.
 - Face to face visits with the participant are required to be completed every month throughout the duration of the participant's enrollment in waiver services.
 - The PDS Representative serves as the employer of record for the participant. The Representative is responsible for:
 - ✓ Working with case manager to develop the Plan of Care
 - ✓ Hiring, training, scheduling, and terminating staff, as necessary.
 - ✓ Following the Plan of Care and Support spending plan and staying within budget limits.
 - ✓ Meeting any patient liability obligations as determined by DCBS.
 - ✓ Submitting paperwork correctly and on time.
 - ✓ Following PDS rules and guidelines.
- When completed employee hire paperwork is received and traditional agencies have accepted the participant as a client, case manager enters Plan of Care information and uploads additional paperwork to request Michelle P. waiver services. Traditional services are sent to the state for review and approval.
- Case manager will train the PDS Representative. PDS Representative is responsible for training all employees.

Michelle P. Service Options

Participant Directed Services

This option allows Michelle P. participants to choose their own providers for non-medical waiver services.

Case Management (required)
Respite (not eligible if primary caregiver is paid)
Community Living Supports
Goods and Services
Personal Care
Homemaker
Attendant Care

PDS Representative is responsible for setting the employee pay rate(s).
Services have varying pay caps.

Plan of Care can include blended services (a combination of PDS and Traditional Services). The annual budget for PDS services cannot exceed \$40,000 per year. The annual budget for blended services cannot exceed \$63,000 per year. A participant cannot receive more than 40 combined service hours per week. Services cannot be duplicated (i.e. you cannot receive CLS through PDS and traditional at the same time).

Traditional Services

This option allows participants to choose a traditional agency to provide the selected service. The agency is responsible for staffing.

Case Management (required)
Respite
Community Living Supports
Personal Care
Homemaker
Attendant Care
Supported Employment
Adult Day Health Care
Adult Day Training
Behavior Supports
Environmental and Minor Home Adaptation
