MET National Farmworker Jobs Program

Career & Training
MET provides all participants with a skills and interest assessment that helps the individual determine a plan of education or employment to focus proper steps of their desired path. The planning procedure will include job search results within the determined career sectors.

Medical & Transportation Sector Certifications or Credentials

- Phlebotomy, EKG Tech, Nursing Assistant
- Dental Assistant/Hygienist
- CDL, Lift Truck (fork lift)
- Lineman or *Powerline Technician Program - which includes Class A CDL training and attainment requirement.
- Diesel Technician
- Commercial Truck Driving or General CDL attainment, (SOME costs covered by MET)
- Certifications and training attainments for other medical/transportation sector programs vary in availability

*Powerline Tech Program is not available in all service areas.

Youth / Young Youth Services
Services specifically catered to youth participants. Youth are considered ages 18-24, while young youth are considered 14-17 years of age. Career counseling and workplace training is available. Additionally, mentoring with comprehensive counseling and guidance would also lead youth towards strengthening in leadership while acquiring new occupational skills needed as they enter the workforce (JOB-READY!).

- MET will support participant youth with opportunities for tutoring and dropout prevention.
- Financial Literacy, ESL, Classes, Computer based classes
- Help with GED or High School Diploma equivalent attainment.

How is eligibility determined?

- Must be an eligible seasonal/migrant farmworker (MSFW) adult, youth OR be considered as a dependent of either, and,
- Be a low income individual or family whose total family annual income does not exceed the higher level of the poverty line.

For any information, please contact our **MET-NFJP offices.**

Housing Assistance
Housing assistance includes direct payments for emergency and temporary housing needs. These needs would be considered as a utilities payment for the farmworkers home. Other HOUSING assistance includes help to farmworkers migrating from one agricultural seasonal job site to the other. Please speak with a MET employee for further information on Housing Assistance for MSFWs.

If you are an MSFW Texas-homeowner, ask about our NFJP Housing Program.

Related Assistance
All services are focused on the clients needs. Services are provided through a case-management approach emphasizing customer choice and may include career services and training. Help is also available for farm workers with a specific need during or in-between agricultural employment.

Want further information?
Please contact our MET-NFJP office or visit our website @ www.metcnc.org

Address: 1705 W 2nd St, Owensboro, KY, 42301

Services: We have reimagined the traditional charity model. Donations are sorted by volunteers and arranged in a store-like setting so foster families can “shop” at no cost. When families visit, they can expect a welcoming, organized space where children can choose their own clothing, toys, and essentials. This simple act restores dignity and gives kids in care a sense of ownership in a chaotic time.

Eligibility: services for Licensed foster families, fictive kin, and relatives who open their homes to children in state custody.

The Foster Shop

Phone: [Contact through the website or visit.](#)

Website: <https://borrowedheartsobky.org/Connect?reason=family>

Address: 1705 W 2nd St, Owensboro, KY, 42301

Services: We have reimagined the traditional charity model. Donations are sorted by volunteers and arranged in a store-like setting so foster families can “shop” at no cost. When families visit, they can expect a welcoming, organized space where children can choose their own clothing, toys, and essentials. This simple act restores dignity and gives kids in care a sense of ownership in a chaotic time.

Eligibility: services for Licensed foster families, fictive kin, and relatives who open their homes to children in state custody.

T-Mobile Free Hot Spot for Eligible K-12 Students

We're working to connect 10 million students with internet access.

Since launching Project 10Million in 2020, T-Mobile has already connected over 6.3 million K-12 students to the internet—and we won't stop!

Over 6.3 million students connected through our sponsored Project 10Million program and other related programs. Showing internet connection at no cost to the student.

We're making it easy to get connected.

 Fill out application.

 Upload **proof of eligibility**

 Sign the service agreement.

 We'll ship your device for free.

 Get connected to the internet.

Your student can qualify for Project 10Million through eligibility for the following program

To qualify for Project 10Million, you'll need to provide proof of enrollment in **ONE** of the following programs during your year of participation:

- National School Lunch Program (NSLP)
- Supplemental Nutrition Assistance Program (SNAP/EBT)
- Community Eligibility Provision (CEP)
- Medicaid
- Food Distribution Program on Indian Reservations (FDPIR)

Here's what you get.

 Free 20GB of internet per year for 5 years.

 One free hotspot per household.

 No fees, easily, or annual re-certifications.

Apply for your child.

Your K-12 student could be eligible for Project 10Million.

It only takes five minutes to apply. Over 6.3 million students already have a free T-Mobile hotspot.

[Apply Now](#) [Get Support](#)

Due to the high demand for Project 10Million, please understand that the program has a limited capacity. We appreciate your patience and are working hard to get your hotspot as soon as possible. Get Support.
