

THE CENTER OF OWENSBORO-DAVISS CO., INC.

Our Services Include:

- **RESOURCE REFERRAL** – The Center helps connect community members in need with appropriate local resources to help break cycles and allow families the opportunity to thrive. Our team maintains a Community Resource Directory on our website (www.TheCenterODC.org/resource-directory) that is updated weekly. Our resource directory is now available in Spanish and is accompanied by useful links such as Owensboro Transit routes and a variety of other local resources.
- **COMMUNITY OUTREACH** – Our Community Resource Mobile Unit takes our community partners and their resources beyond our walls, customizing the resources available to the location and / or event. We also host a free Lunch & Learn event for area service providers on the first Wednesday of each month, featuring community partner organizations or panels on issues facing our community.
- **FAMILY VISITATION CENTER** – We offer a cheerful, neutral environment for supervised visitations for families experiencing out-of-home placements. Visitation services are free, and we provide all necessary reporting for court proceedings. We currently offer three (3) visitation spaces, including a space designed specifically for adolescents with our Teen Recreation Room.
- **FAMILY ENRICHMENT** – Our parent coaches offer individualized parenting support for our in-house visitation clients with the Nurturing Parenting for Families in Supervised Visitation curriculum, as well as offering free online parenting classes for anyone in our community with the Parenting in the 21st Century and Active Parenting curriculums.
- **FOSTER SUPPORT SERVICES** – In spring of 2026 The Center will be launching our new Foster Support Services, including educational and supportive programs for foster families and foster children in our community. Watch our website (www.TheCenterODC.org) and our Facebook page for programming updates!

The C.R.M.U. is an opportunity for us to bring a variety of community partners along with us to a neighborhood near you! If you see the mobile unit, please stop by for the opportunity to connect with local supports and services. We hope to see you soon!

*Watch for our new C.R.M.U. page on our website in January 2026!
This page will keep you updated on the mobile unit's scheduled stops, and will feature contact information for our mobile unit partners!*
