

Easicoat EC-5910 Degreaser is designed to remove grease, oil, and other surface contaminants to avoid paint film defects.

EC-5910 Degreaser

Existing finishes, primer, putty and metal.

Diagram illustrating the relationship between the number of rectangles and the number of dots. A tall rectangle is labeled 2, and a short rectangle is labeled 1. A colon is placed between them.

Packaged ready to use

- ◆ Clean the substrate with water to remove water-soluble contaminants and then dry it off.
- ◆ Degrease the substrate with tack rag wetted with degreaser.
- ◆ Wipe and dry the surface with another clean tack rag.

VOC: 6.2 lbs/gal

Read MSDS Before Use

NOTE: The information in this data sheet is based on our knowledge and the current laws. It is always the responsibility of the user to fulfill the requirements of local rules and legislations. The uncertain factors may affect the application of products, such as the condition of substrate. We do not accept any liability on loss, damage and performance of products unless we issue a special agreement. Always read the latest Material Data Sheet and the Technical Data sheet before applying the products.
