

A Haven of Hope

723 Arcadia Circle/Huntsville, Alabama 35801/(256)536-2970

8/1/2020

Dear friends and family,

We pray this letter finds you well! We are continuing to pray for each one of you!

The Rose of Sharon Soup Kitchen is continuing to meet all CDC and Kay Ivy's recommendations for a safe and clean work environment for both our staff and clients.

The Rose of Sharon Soup Kitchen has seen an increase in needs within our community since this pandemic. In the month of July, The Rose of Sharon Soup Kitchen provided 4,140 meals to our community with the help of you all! We provide food assistance to the foster children and foster families from Kids to Love. We are helping 125-150 foster children each week in doing this.

Our construction journey has been so amazing. God is so good to us! Our drywall is complete and we are awaiting the painters! Once the paint is complete, we will put new flooring in!

Please commitment to prayer with us over our under-served community. Pray specifically for their well-being and safety. Pray for those struggling during this pandemic as we all are having to make hard decisions.

Thank you for your ongoing support and prayers!

In His Service,

Theresa Wilson
