Committee Report- Tom Yale & Diane Gomola: Hazard Mitigation Plan – all forms submitted by Tom. Diane sent all the requested agenda & meeting minutes to Scott Aylesworth via email. Request to amend Hazard Mitigation Plan was mailed to Thomas Hughes in Harrisburg Susquehanna County Emergency Management Department. Diane states that we will have to re-do the Hazard Mitigation resolution. Scot informed her that once Mr. Hughes approves our amendment to adopt, THEN we can submit a passed resolution to him. Scott advised Diane once again, that time is of the essence in this matter.

New Business :

- Borough Hall needs melting sidewalk salt and new gutters.
- QuickBooks has been successfully migrated to the online version. Cost savings realized from original quote as LF accounts can be under the same version with online.

Unfinished Business: NEP fiber to boro hall

Public Comment: Each person will have 5 minutes to present their concerns. Only residents or those paying taxes to the borough may comment.
