

Dear Dyess Grace Baptist -

Hello and hi to all! Thank you for your support and
to your brother in Christ Wilson Hellmuth! He was with me
on a very important day this year! I have been learning
much of the prophecy turned gospel of the bible concerning
our Christ Jesus our Lord (and Almighty) and must say I am
extremely excited for what my future holds. Many thanks
to all here for the prayers and support! Admittedly I
cannot do this alone and ask for all the prayers you
can send! Thank you to Cody and Janet Powell,
Den, (sorry if I get some names wrong but don't want
to miss any one who signed and sent their prayers to
me!) Lane, Sandra, Jen, Cony? lol! ~~Bob~~ Dave with
me I'm trying. ^{is that right?} Thank you all of you!
To tell you that this is the ~~beginning~~ beginning of a transfor-
mation is an understatement (as I'm sure you all know)
and am grateful for Wilson and his encouragement that
day! Some day in the future I may come visit! Belton
TX was my summer town during Summer Days when
I was young! As I'm no stranger to Temple TX, I'm
sure to pay a visit some day! Attached to this letter
will be a letter that I have sent to Wilson personally thank-
ing him and giving some what of a letter with words! (I
don't write letters much!) lol! I encourage any prayers
