We live in a time when people go to a building on Sunday mornings, attend an hour-long service, and call themselves members of the Church. Does that sound shocking to you? Of course not. This is perfectly normal. It's what we grew up with. We all know good Christians go to church. But have you ever read the New Testament? Do you find anything in Scripture that is even remotely close to the pattern we have created? Do you find anyone who "went" to church? -FRANCIS CHAN
