

Dyess Grove Baptist,

MAY-1ST-2019

Yes, I was writing in reference to obtaining a study Bible. I own a K.J.V version but at times it is very difficult to understand. Also, I don't have a study Bible. I was hoping with God's blessing you could send me a study Bible. I don't have any money to send. So with that said, I would greatly appreciate a blessing. I thank you for your time, as well as blessing. Thank you.

Sincerely,
Anthony S. Gutierrez
