## BE OUR GUEST

Our podcast needs **you**. We'll call it "Remarkable WAM"  
And we're hearing remarkable stories from remarkable people  
working in WAM.

We're on a mission to inspire a new investment landscape, something  
that's fit for purpose for everyone in the investment world.

To do that we need to speak to smart people and *dig into the detail &  
cut out the jargon*. We'll try to stick to our principles of simplicity and  
informality at all times.

To achieve our mission, our podcast needs fantastic guests. We'd like to  
secure an **hour or so** of your time and host a conversation about your  
hot topic and your story. Expect a few pointers on what to expect  
closer the time.

Many thanks for being a part of the conversation.

Sincerely yours,

Chris & Andy  
(friendly hosts)
