NO-SHOW POLICY

We understand that there are times when you must miss an appointment due to emergencies or obligations for work or family. However, when you do not call to cancel an appointment, you may be preventing another patient from getting much needed medical treatment.

In order to be respectful of the medical needs of all our patients, please be courteous and call our office promptly if you are unable to attend your scheduled appointment.

If you are unable to keep your scheduled appointment, we require a 24 hour notice.

There will be a \$25 charge for every appointment missed without proper notification as mentioned above.
