To maintain the right to be a "SENIOR" community and exclude residents on the basis of their age, HUD requires that at least 80% of the occupied units must be occupied by at least one person 55 years of age or older. The **Housing for Older Persons Act of 1995** requires a housing community re-survey its residents every two years to ensure that the 80% requirement is met.

**"Therefore in order to meet Federal Guidelines it is a requirement this form be filled out and returned. Thank you."**
