

## Documents required to purchase firearms in California.

You need documents to prove three things.

1. A California Firearms Safety Certificate. If you don't have one, you may download the study guide from our website. You then take the test at our store. You will receive a card that is valid for five years. *Please call ahead to confirm we can proctor the test the day you want to take it.*

2. Proof of your identity.

California Driver License.

California Identification Card.

United States Military ID Card.

3. Proof of your residence. You need two forms, one of which can be your Driver License or ID Card.

Motor Vehicle Registration.

Residential lease.

Government utility bill or property tax statement, no more than two months old. **Cell phone bills or Cable TV bills are not acceptable.**

California Concealed Weapon Permit.

Military orders showing your permanent duty station.

Pilot License.
