SMART Elections is a **nonpartisan** nonprofit dedicated to **transforming U.S. elections** by expanding public oversight, **improving security**, and advocating for fair, accessible voting. Our mission is to ensure that elections are transparent, have high participation and **inspire public confidence**.

#CountTheVote

#CountTheVote is a groundbreaking program training observers to monitor and protect U.S. elections across the country. Volunteers actively participate in their local elections. This engagement helps increase confidence, identify trouble spots, and reduces the risk of foul play. Elevated trust in election results decreases the chances that U.S. elections will be plunged into chaos, or even violence, following an election.
