WRIGHT PEDIATRICS, P.A.
OFFICE AND FINANCIAL POLICY

Welcome and thank you for choosing Wright Pediatrics for the medical needs of your child. We are dedicated to providing the best possible care for your child, and we want you to completely understand our office and financial policies. Our professional fees have been determined through careful consideration, in addition to being reasonable and customary within our geographical area. The following is a list of guidelines that are necessary in order to continue to provide high quality care and make your child's visit as pleasant as possible. Please review and initial the following statements:

___**Co-payments, unmet portions of your deductible, coinsurance, and previous balances are due at time of service.**

___**Appointments:** Please inform our receptionist at the time of making your appointment of any demographic changes (e.g. address, telephone number, insurance, etc.). Failure to notify us immediately of changes in demographic information, financial status and/or insurance coverage may result in you being responsible for any service not covered by your insurance carrier.

___**Vaccine Policy:** We ONLY FOLLOW the vaccine schedule recommended by the CDC. Please initial that you have read and agree to the terms of our Vaccine Policy Statement. This is made available for your review at your child's first visit to our office, at the front desk upon your request, as well as online at www.wrightpediatrics.com.

___**Self-pay Accounts:** Patients with no insurance will be expected to pay at the time of service.

___**Insurance:** The patient is expected to present an insurance card at each visit. If we participate with your plan, we will directly bill your insurance. Keep in mind that your insurance policy is a contract between you and your insurance company. Not all insurance plans cover all services. In the event your insurance plan determines a service to be "not covered," you will be responsible for those charges. Any non-covered charges are due upon receipt of a statement from our office within 30 days.

It is the parent/guardian's responsibility to contact the insurance company and confirm that the child's doctor is "In Network" with their specific insurance plan. If our doctors are "Out of Network", the parent will be responsible for any charges not covered by their "Out of Network" benefits.

___**Referrals:** It is the responsibility of the patient to know their insurance plan's procedures for referrals. If your plan requires a referral, it will be necessary for you to inform us of that prior to you scheduling an appointment with a specialist. We kindly ask that you notify our office 5 (five) business days prior to non-urgent referral visits.

___**Late Arrival:** As a courtesy, please arrive at least 5 minutes prior to your appointment. If you are ***more than 15 minutes late***, it may be necessary to re-schedule your appointment to another day in order to prevent inconveniencing other patients.

___**No-Shows or Missed Appointments:** When an appointment is scheduled with the doctor, time is specifically allocated for you. When an appointment is not canceled in advance and the patient "no shows", another patient that needed to be seen may have been unable to because the time slot was already taken. We understand there may be times when you are unable to keep an appointment, but we ask the courtesy of a phone call to cancel your appointment. We wish to advise you that all appointments will require a 2-hour notice of cancellation by you. ***If an appointment is missed without at least 2-hours prior notice, you will be charged a $30.00 fee or $50.00 fee for Behavioral Health/ ADHD appointments.*** This fee is not payable by your insurance company and will be your responsibility.

___**Child Custody/Divorce Cases:** This office will not bill a divorced spouse for the patient's service. It will be the responsibility of the parent or guardian that brings the child in for all co-pays, deductibles, coinsurances, or balances. It is the parents' obligation to work out an agreement themselves or through the court system.
