I'll reach out to her next week and do what needs to be done to take care of this.

Do you know if we are paying her a honorarium, or just reimbursing for travel?

Please let me know if you want me to jump in and take care of arrangements with Ms. Rindskopf-Parker. Otherwise I'll leave it to you to work your magic on her CLC travel logistics and lodging.

Elizabeth has confirmed she will do the presentation on Russian disinformation at our leadership conference. Please make contact Elizabeth Rindskopf-Parker [earrp@icloud.com](mailto:earrp@icloud.com), with her to make travel arrangements. Ideally she will arrive the evening prior. It is fine if she wants to extend her trip to go to Sedona or some other Az site while she is her.
