Sonny is an 8 year old sturdy gelding standing 14.1 hands and 1150lbs. He has absolutely unmatched eye appeal that will get you noticed anywhere you go! Plenty of size, bone and foot to handle any rider and terrain! Sonny was raised on a ranch. We enjoyed him by just taking him out for rides and a friend of ours called asking for a gentle horse for his 10 year old daughter to ride. We instantly knew Sonny would be the perfect match with his sweet, caring and gentle nature. She enjoyed him and then we got the call she was getting into sports and not having enough time for him as she is getting into high school. He will pick up and go when asked but prefers a pleasant speed of a walk or his silky smooth slow jog. You can lope him off from a stand still with correct lead departure. He has slow correct spins. Soft side passes and controlled speed variations. Sonny crosses logs, water, ditches, mud bogs, and steep banks with ease and confidence. Does not have a spooky, flighty nature and has the most affectionate, willing-to-please attitude you will ever come across. He will always greet you at the gate and come up out of the pasture straight to his stall. He does not have any soundness issues or require any special maintenance.

Detroit is a classy, safe gelding for the whole family! Bombproof type. Hands down a barn favorite around here. Just 8 years old and 14.3 hands. He has the ability to do anything you want to do on him. He is a been-there-done-that type, that makes him the go-to for a quiet enjoyable ride. He is both well trained and well behaved in any scenario or discipline. He is quiet and soft to ride in or out of the arena, alone or in a group. Not at all skittish, jumpy or reactive yet sure-footed and nimble through uneven terrain. Has a ground covering walk, a silky smooth jog, and a dreamy lope all on a loose rein! Very forgiving and patient both on the ground and under saddle. Has enough of a handle to participate in local fun shows or 4H and will also pull his weight around the ranch doing chores. He has spent plenty of late nights around the roping pen as well as early mornings trotting out to move cattle. He is no stranger to a hard days work and is a blast to use! Side passes to open and close gates, rides anywhere in the group, has snubbed colts, drug logs, crosses water, easy to catch wherever you find him, loads and hauls like a dream, stands tied quietly, great for the farrier. Talk about a no-nonsense, steady, good-hearted horse.

One hand broke, trail horse that goes through/over anything, open/close gates, great for the farrier, trailering and excellent ground manners. Previous owners said they hog hunted on him. Doesn't care about dogs, goats, etc. He's barefoot but had shoes on for the heading pen. Extremely easy keeper. No spurs, we don't use a tiedown at home but they used one roping. From our sweet barn help, to the little girl, to the young man that rides horses all-day, she is unanimously everybody's favorite! She's athletic, easy to be around, and gentle enough that just about anyone feels very comfortable and cozy on her. "Buttons" has been used outside a ton, and on a real working ranch up north in some really tough country - around here is like a trail ride on a golf course compared to the country she is from. She is solid and just the right age to go do any job that you have for her. She is extremely kind natured, sweet to be around and easy to do everything with. She is sweet to catch, saddle, bridle, step-on, shoe, load, haul, and stands tied anywhere. She is happy out alone or with other horses, and she loves being up in the show barn and being pampered! She trails out very confidently alone and is also well-mannered in a group. She has been very lightly played with on the barrel pattern and is a fresh slate and ready to go on for anyone to put on the pattern exactly like you like them. She is by Tac Ta Fame by Dash Ta Fame - and out of an old school bred rodeo mare, who she gets her superb mind and disposition from. She is Royal crown eligible! She is fit, in great shape, ready to pattern, and start hauling and seasoning today! She has been roped off extensively outside and would also make a great rope prospect. If you're just looking to trail ride, she would be a great fit for that as well and has her entire life left in front of her!
