8. MULTIPLE LISTING SERVICE (MLS): Broker is a participant of LAS VEGAS REALTORS® ("LVR") Multiple Listing Service ("MLS"), and the listing information will be provided to the MLS to be published and disseminated to MLS participants and subscribers in accordance with applicable MLS Rules and Regulations and Section 11, unless Owner otherwise directs by the execution of an "Instruction to Exclude." Broker is authorized to report the lease, its price and terms for the publication, dissemination, information and use by LVR members and MLS participants, and subscribers.

9. LEASING AND RENTING.

(A) Authority. Broker is authorized to negotiate, prepare and sign all leases, including all renewals, extensions, cancellations and modifications of any leases on behalf of Owner. Leases will be written on Broker's standard lease forms.

(B) Enforcement of the Leases. Broker is authorized to institute, in Owner's name, cost and expense, all legal actions or proceedings for the enforcement of any lease term, for the collection of rent or other income from any Property(ies), or for the eviction or dispossession of the tenants or other persons from any Property. Broker is authorized to sign and serve such notices as Broker deems necessary for lease enforcement, including the collection of rent or other income. If Broker deems it necessary, Broker may retain an attorney of Broker's choice (unless Owner supplies Broker with the name of Owner's attorney).

(C) Management/Maintenance Review. The MLS requires that a valid working code for a keybox be included in the MLS listing for ease of showing. The code is a confidential field that is not intended to be available to the public. Owners acknowledge that they have been advised that:

The purpose and function of the keybox is to permit access to the interior of the Property by authorized third parties as well as any licensed professionals necessary to facilitate the lease of any Property;

a. Owner should remove, secure or otherwise safeguard all personal property and valuables located within a Property and obtain applicable insurance;

b. It is not a requirement of the MLS for an Owner to allow the use of a keybox;

 c. If a current tenant occupies the Property, such tenant's consent is also required;

d. Owner does -OR- does not authorize Broker to issue a "One Day Code" to access a keybox installed on a Property. This does not apply to tenant caused maintenance issues, unless they are habitability issues that must be repaired regardless of cause, in which case such costs could then be back charged to tenant for reimbursement.
- (C) For any multi-family property (over 2 units), Owner acknowledges that current Nevada law authorizes local and county governments to enforce the correction of substandard property conditions which endanger TENANT health or safety. Owner shall promptly remedy any such condition cited by the local or county government in accordance with applicable timelines.
 - 1.
