Providing a *Life Lift* to People in Need
Through the Transformative Power of Music!

Mission Statement

The Spirit of Music Foundation inspires hope, healing and empowerment through the power of live music, lyrics and motivational storytelling.

As a 501(c)(3) nonprofit based in Sarasota, Florida, we bring uplifting performances to those who cannot afford them, including residents of nursing homes, hospitals, Boys and Girls Club's, halfway houses, for veterans, at correctional facilities, and more.

We also collect and distribute new and gently use instruments and provide music lessons, giving people of all ages the opportunity to begin or continue their journey of learning the healing power of music.

Our mission is to energize lives, spark joy, and create an opportunity for lasting positive change through the universal language of music.

Music Can Be A Lifeline

But Too Many Live Without It

Thousands of people of all ages, live in various facilities right here in our town of Sarasota, Florida, where live music and inspiration rarely reach them.

Isolation, depression, and hopelessness are common in these environments.

Studies show music can reduce anxiety, improve memory, boost mood and production. People are deeply moved by live music and uplifting human connection, yet access is limited to those who can't pay.

**Let's join together to bring a smile, a lift,
and a brighter light to those who live in our communities!**

Bringing Music Motivation and Meaning

Where It's Needed Most

We bring a custom show called Energize Your Vibes Keynote Concerts - an inspiring mix of motivational stories, original positive songs, and audience interaction performed as a solo, duo, trio or full band.

Each show is designed to:
Lift emotional energy
Inspire self-worth and change
Build community and connection
Bring joy, laughter, and reflection

“We don't just play songs - we transform energy into smiles”

Changing Lives

One Show at a Time

In the past 12 months, we have had the privilege to partner with several nursing homes, Sarasota Sheriffs Rehabilitation Program, Harvest House among others, to reach over 1,450 people in need.

Join Us in Lifting Lives

The Future of Spirit of Music Foundation

Our hopes for 2026 start with the foundation having the means to include many more musicians and many more locals to help in reaching the people and providing the healing!

With the need being so great in Sarasota, we have the manpower and the requests for the music, we are simply missing the funds.

Additionally, we are hoping to be able to purchase a larger quantity of instruments and provide additional music lessons to those who demonstrate a clear need and desire to achieve growth through music.

We are currently fund-raising to schedule a 2026 Theater show for approximately 1500 people near the end of summer. Additionally, we are working to create a traveling classroom to reach rural locations.

We are truly grateful for your partnership in our quest to elevate the lives of those who live among us. Any contribution is most appreciated!

Together, let's make a lasting impact - one concert, one heart, one song at a time.
