Dear Community Leader,

We're reaching out to invite your support group members to participate in an upcoming educational event focused on prostate cancer and clinical research for Black men.

This event is being brought to you by Black Health Matters, 100 Black Men of New York, Prostate Health Matters, and The Bronx & Wall Street Alphas.

**Date:** January 31, 2026 | Albert Einstein College of Medicine – The Price Center 1301 Morris Park Ave, Bronx, NY 10461

**Start Time:** 10:30 AM

Our goal is to build awareness of clinical research as a care option and empower local communities to take action.

We welcome anyone who is a patient, caregiver, survivor, or advocate.

Let us know if members of your group would like to attend or be involved.

Visit [bit.ly/ProstateCancerWorkshop](https://bit.ly/ProstateCancerWorkshop) to register and learn more.

*Sincerely your hosts,*

NEW YORK

**About Black Health Matters:** Black Health Matters is a national leader in health education and advocacy, driving awareness and access for Black communities. We are committed to addressing health disparities that affect Black men—including prostate cancer—with dignity, data, and trusted voices.
