Firefighter Owned & Operated

Thank you for your inquiring about our products. We are the designer, manufacture and sole distributor of the Fire Safety Simulator with US Patent # 10,522,051 . Our product is designed to teach all ages about Fire Safety by bringing awareness to the top hazards in the home. Our information is base off the NFPA current study. Our product includes our lesson plan, information sheet on the specific facts on fires, and safety features in the home as a review. Our product also give you the flexibility to teach from by using a Foam Axe for inside application such as schools to public events, our lifelike Fire Nozzle, and Fire Extinguisher with water supply hookup that will work continuously off normal residential water pressure. This extinguisher is great tool to teach age appropriate students. Our unit is supplied with a double wall storage box with foam padding for storage when not in use.

Our Simulator is custom designed for free with your Department Logo, Department Name and your favorite Fire Safety message. To get started we would need your logo sent as one of the following formats (Vector, Adobe, or Jpeg File 1 MB +) for the best transfer of your image at a size of six inches logo on your Simulator. We have provided a list of fire safety messages that have been use or feel free to use your own phrase. Please check out our Website for more information and to see some of our past customers. When we receive your order and information we will design a proof and return for your final approval before production. Please check out our website for our product video's and past sales. Our current 2025 price \$1,995.00 each without shipping. We can process your order with Purchase Order form and Tax Exempt number. Note we offer free delivery in Wisconsin.

Here are some Fire Safety Phrases you can used:

Smoke Alarms Save Lives, Fire Safety is Everyone's Job

Practice Fire Safety Every Day, Serving Our Communities Together

We Care About You and Your Safety, Practice Fire Safety Learn It - Live It

Working Together to Promote Fire Safety, We are Here to Keep Our Community Safe

Practice E.D.I.T.H. " Exit Drills In The Home ", Always Practice Fire Drills & Have 2 Ways Out

Fire Safety in The Home " Learn it - Live it " Stay Safe

Thanks Again!
