Dear High School Counselors,

**Dr. Lela A. Bridges-Webb  
Treasurer**

The purpose of this letter is to seek your assistance in finding students for *The Ron Edmonds Scholarship Award*. The Superintendents' Commission for the Study of Demographics & Diversity is proud to sponsor The Ron Edmonds Scholarship Award Program. This award is made available to students of color or students of poverty who are currently high school seniors. Students must provide an official transcript and must provide a letter to show proof of acceptance into a college or university. However, this year due to COVID-19 and the inability to host the annual Educational Conference, the Superintendents' Commission will limit the number of applications to be submitted for consideration.

**Ms. J. Kay Giles  
Secretary**

**Dr. Creg Williams  
Executive Director**

Enclosed is the scholarship application. Please give the information to your students who are interested in applying for the Ron Edmonds Scholarship. For further information and application forms, please contact:
