### Past Performance

AECOM/NAVFAC PAC - As a sub-contractor, provides meeting facilitation services for the Restoration Advisory Board (RAB) Support. This involves facilitation between the Navy personnel, environmental subject matter experts, and a diverse set of public stakeholders including the general public.

Live2Lead Hawaii Workshop - Designed and executed a public workshop for professionals equipping them with growth-minded content and activities. Number of participants were 46 with a 98% approval to recommend rating.

Daniel K Inouye Asia Pacific Center for Security Studies (DKI-APCSS) - As a trainer, provided interactive communication training and leadership development. Over a 3 day period, created and fostered connection and collaboration for team to build morale.

### Differentiators

I have over 30 years of experience with the federal government, Department of Defense. I retired in 2018 with 12 years of specialised experience as a management analyst as a lean six sigma practitioner and strategic planner. I founded Hope Inspired Solutions LLC to fill a need within organizations to bring collaborative insights and interpersonal training that paved the way to higher productivity of teams. I am a catalyst that connects and brings people together to work toward common goals.
