

Modernization of Local Tax Collection Talking Points

- This is (name). I am a business owner in your district. The name of my business is (business name).
- Local governments are forcing us to file multiple (or specific number) payroll and net profit tax forms.
- Our accounting staff and CPA spend way too much time on this.
- Please give us some relief from this paper chase.
- Modernize the system so that we can pay all of these little taxes in one online transaction.
- In this day and age, the current system is ridiculous
- Thank you for listening and please call me if you would like to hear more about how this is affecting us.
- Once again, my name is (name). My business is (business name) in (city). My cell phone number is (cell number) and my email address is (email address).
- I hope in the future you will come by my business so that I can show you what we do and introduce you to our employees.
