

HNRC DIVIDEND REVIEW COMPLETED

HOUSTON, Texas, April 25, 2023 – Houston Natural Resources Corp. (OTC: HNRC) (“Company”) announced today that FINRA has completed the review of the company’s corporate action to pay a dividend. The corporate action for the Spin-Off Dividend has been published on the FINRA daily list of April 24, 2023 with a Record Date of April 28, 2023 and a Payment Date of May 26, 2023. The link is available here (<https://otce.finra.org/otce/dailyList>).

HNRC Shareholders of record on April 28, 2023 will receive one share of Worldwide Diversified Holdings, Inc (“WDHI”) for every two shares of HNRC. The trading of the WDHI shares will be subject to a registration statement being approved by the SEC. It is anticipated that the initial price of the WDHI shares will be \$3.50 per share, representing a \$1.75 per HNRC share dividend.

The Company has previously announced that, effective December 16, 2022, the Board of Directors has approved the transfer of the non-energy investments of \$53,307,324 in exchange for common shares of Worldwide Diversified Holdings, Inc (“WDHI”). The Company received the requisite stockholder approval granting the Board of Directors the authority to affect the transfer of the assets and approve the dividend to the shareholders. The transaction is proposed to be a non-taxable spin-off, meeting the business purpose of separating the company's non-energy assets.

The company's transfer agent, Equiniti Shareowner Services, has been appointed as the transfer agent for Worldwide Diversified Holdings, Inc and the dividend agent. The company has received the new CUSIP number for WDHI shares and applied to reserve WDHI as the trading symbol.

WDHI has a legacy portfolio in the technology, telecommunications and software industries. It will focus on additional opportunities in Artificial Intelligence and food technologies.

Shareholders owning HNRC shares through a broker or other nominee will have the WDHI dividend shares credited to their account to reflect the dividend and will not be required to take any action in connection with the transaction. Shareholders who hold their shares in book entry or physical certificates shall receive book entry statements of their WDHI shares. The transaction would not have any impact on the voting and other rights of stockholders and will have no impact on the Company's business operations or any of its outstanding indebtedness.

About Houston Natural Resources Corp

Houston Natural Resources Corp. (OTCMKTS: HNRC) (www.hnrholdings.com) is a diversified energy company with oil and gas interests as well as wastewater treatment facilities. The Halff Oil Field in Crockett County, Texas, has 83 oil wells, with estimated 33 million barrels of oil and water treatment and appraised reserves of \$69 million. The company has acquired a 9.9% interest in Cunningham Energy LLC with appraised reserves of \$352 million. The company will also continue to seek new oil and gas and wastewater acquisitions as it focuses on creating more value for HNRC shareholders.
