Our goal at The East Wake Leadership Academy is to provide students with a school year of guided cultural, academic and enrichment activities in a safe and stimulating environment. This includes a five-week summer enrichment day camp for students in grades K-6.

Our intent is to provide opportunities for parents to be involved in this rich experience. Parents are encouraged to volunteer at the Academy as needed, based on availability.

Our expectation is that all students follow the Wake County Public Schools Code of Conduct as set out in the **WCPS Parent and Student Manual**.

Our commitment is to make this East Wake Leadership Academy experience available to any family who wishes to participate. **Our services are funded by grants, private individuals and corporate donations. Parents are required to pay a \$100.00 Registration fee per family, before the first day of camp.**
