NEW FLASHING CROSSWALK SIGNS COMING TO KEETER ROAD

After months of work between Station at Prominence Safety Task Force, Canton City Council Members, and Cherokee County Public Works, new flashing LED crosswalk signs are coming to the intersection of Keeter Road, Village Drive, and Holly Mil Village Drive.

The Board expresses their thanks to Clara Ellis from Station at Prominence and her Safety Task Force members. These new improvements would not be possible without their continued efforts and leadership. Please reach out to Nick or the Holly Mill Board if you are interested in working to further Safety improvement along Prominence Point Parkway and Keeter Road.
