

South Carolina Police Combat League

Palmetto State Regional 2025

The South Carolina Police Combat League is pleased to invite you to the Palmetto State Regional NRA Police Pistol Combat Tournament which will be conducted this year at the South Carolina Criminal Justice Academy firing ranges located in Columbia, South Carolina.

These Tournaments are a great way for you to evaluate your skill level, identify needed training areas, improve your qualification scores, and practice your handgun skills to keep you prepared for the ever-increasing dangers you face on the street and off duty.

~ NEW SHOOTERS ~

You do NOT need any fancy gear or guns to start shooting these matches. Just bring your duty handgun, three magazines, holster & magazine pouch. There is nothing to memorize, the course will be announced as you shoot just like the stages during a qualification and fellow officers will gladly help you out. You can even use your stock duty gun to fire the Open Class Division Matches if you have four magazines. This will let you see what the other matches are like and how challenging and fun these matches are.

Matches Offered: We are pleased to offer the Stock Service Semi-Automatic Pistol Match, Production Semi-Automatic Pistol Match, Production Optic Semi-Automatic Match, Stock Service Revolver Match, Distinguished Production Match, Distinguished Semi-Automatic Pistol Match, Distinguished Revolver Match, Open Class Semi-Automatic Pistol Matches, Open Class Revolver Matches and the SCPCL Shotgun Match. *New Shooter Award (Drawing for High New Shooter, as of January 1st, 2024, never having competed in sanctioned PPC Match, shooting their choice of service gun)

Firearm Awards: Only one gun per competitor will be awarded. Your averaged Classification will determine Class Awards for Open Class 3000 Aggregate and Distinguished 1800 Aggregate.

Individual Class winners of the firearms will drop to the next eligible shooter if the Class winner has won a gun in another match. If a competitor wins a gun as the Open Class 3000 Aggregate and then wins another in, for example, the Distinguished 1800 Aggregate, the firearm in the Distinguished 1800 Aggregate will be awarded to the number two shooter in that Class. This way a person need not place first in their Class to win a firearm.

Firearms Winners:

Out of State Winners: By federal law, firearms must be shipped to your local FFL dealer for ultimate transfer to you. Firearms will be shipped upon receipt of a valid, signed in ink, copy of your dealers FFL license and payment for shipping, which is your responsibility.

In State Winners: Federal and state law require a NICS background check to approve the transfer of a firearm to you, before you receive your firearm. Winners will be presented a certificate to present to participating FFL to receive firearms. NO EXCEPTIONS.

Saturday Night Barbeque: Will begin at 6:00 pm with the Awards Presentation following the meal. For those shooters who win more than one match, cash, trophies and other awards may be given.

Area Attractions: here are numerous attractions in the area to include the South Carolina State Capital Grounds, Riverbanks Zoo and Gardens and the State Museum.

Targets: Official NRA B-27 Targets will be used.

Scoring: Competitor scoring will be used by passing your scorecards to the competitor on your right who will score the targets of the competitor to their left. Pursuant to PPC Rule 14.2, **NO** competitor will score their own target NOR may a competitor score the targets of a competitor from their same agency. If this cannot be avoided due to the Relay's makeup contact a Match Official to score the targets.

PPC Rules prohibit the use of plug-type scoring gauges. Overlays and Eagle Eyes may be used by competitors.

Score Cards: All score cards must be signed and are FINAL once signed so **PLEASE** double check the recorded hits and values BEFORE signing. Once a score card is signed and turned in, only a Match Official can alter the card and will initial the change.

Sighting Shots: No sighting shots are allowed.

Course of Fire Information:

Time Limits: Time Limits will be announced for each stage or match. Time will start with loaded gun in the holster. No part of the competitor's hand may touch the gun until the command to commence firing is given.

Firing Method: Matches or stages designated as double action must be fired double action. Matches or stages designated as single action may be fired either single or double action. All double action semi-automatic pistols must fire the first shot of every stage double action except at the 50 yard line.

Loading: To force reloading under time restraints and magazines are loaded with a maximum of 6 rounds. There is no limit on the number of magazines or speedloaders you have but after initial loading all ammunition used during the firing of a stage or string **MUST** be on your person.
