

To Be like Jesus
Lindsay Beaudreau

There is a boy
With a great big heart
His muscles are strong
His brain smart
Making friends whenever he goes
Always accepting
Rarely says no
He's interested in people
And what they have to say
Every morning makes a choice
To have a great day

And when this boy is asked
"why?"
He simply replies
"because of Christ"

I want to be
The best boy I can be
Just as Jesus
Was for me
He gave up his life
So I could live mine
And because of that
I won't waste time

I will try to be
Who Jesus envisioned
Nailed to the cross,
Before he was risen
Following the lord

To where he might lead
Spreading my love
And doing good deeds

I will light up the world
Where it once was dark
Make wonderful changes
Leave my mark
And if I get lost
Or fall off my path
I trust in Jesus,
He'll welcome me back

I'll be strong for those
Who can't find their strength
And fight for people
Who are heavy with pain
I'll be the voice
For all those unheard
And unite enemies
Through His word

In this world,
I am one among millions
But to Jesus, I stand out
As one in a zillion
