To Stand Up Against Bullying

I \_\_\_\_\_ pledge to take a stand against any verbal, physical or cyber bullying that happens in my school. I will safely report it when I see it happen. I will not be a bystander to someone being bullied and I will use my voice to speak up against it.

I pledge to be kind, friendly and treat others with respect. I will make sure others feel included and show support for those that are bullied.

My Voice Matters  
I will Stand Up  
I will Speak Up
