

Open Call - Art Fish Fun Festival - June 10, 2023

The Art Fish Fun Festival is an established family friendly, event that takes place the weekend before Father's Day, at Beaudette Park/The Mill Dam, in Pontiac, Michigan. Make and take projects, with environmental science and community resources have been coming together since 2014 and have seen 800 community members attend the 5 hour event organized by The Art Experience, the City of Pontiac, the Oakland County Water Resource Commissioners Office, Pure Oakland Water, and the Clinton River Watershed Council.

We are expanding the festival to include an Artists Market!

As a participant of the Art Fish Fun Artists Market, you will:

- receive valuable brand recognition
- opportunity to network
- generate sales
- gain feedback from the community
- find mutual support from fellow creatives

There is no fee to apply, but if selected the vendor booth fee for 2023 is a non-refundable \$25.

Due to limited resources, The Art Experience is not able to provide tables, or tents for vendors. It is required that artists provide their own (10x10 canopies), if they so desire.
