How did Ronnie Schmidt start help raising more with less effort for Non-Profits?

Ronnie has advised and helped raise funds for Morningstar Fishermen, AKIM U.S.A., The Salvation Army, and Pi Kappa Alpha for Penn State's THON.ORG, among others.

"In 2015, while visiting Penn State, my alma mater, I learned my fraternity's brothers successfully raised funds for THON.ORG, a dance marathon fundraising event. They raffled off an exclusive, all-inclusive trip to Ireland for Penn State – UCF's football game.

But the Ireland fundraiser was one time. Next year they were stuck for a Grand Prize. I suggested a high-ticket Travel Gift Certificate. Success! The contest ended. But I asked THON.ORG's advisor, 'Why not run a contest every month, get 12 times profit?' Done!

THON.ORG's mission is to provide emotional and financial support, spread awareness and ensure funding for critical research for pediatric cancer – all in pursuit of a cure. Since 1977, Penn State students have raised over \$200,000,000 for pediatric cancer.

And then a bigger divine vision came upon me. Use our Consumer Friendly Marketing With THE WOW FACTOR, along with exclusive Grand Prizes, hire Sports Celebrities, pay them. And that's how our exclusive Sports Celebrities Sweepstakes concept began.
