

# THE BLUNT TRUTH ABOUT MARIJUANA

**Wednesday, September 25, 2019**

**6:00 - 8:00 p.m.**

**Camanche High School Theater**

**937 9th Ave**

**Camanche, Iowa 52730**

**Sponsored by Camanche-DeWitt Coalition & Gateway ImpACT  
Coalition**

## **GUEST SPEAKER: BEN CORT**

Living in Colorado, Ben Cort has been part of the recovery community in almost every way imaginable. Ben has a deep understanding of the marijuana issue and a personal motivation to see the harmful effects of drug and alcohol abuse minimized. Ben's first book, Weed INC., was published in September 2017 and he is currently focusing on marijuana education and consulting inside the substance use disorder treatment field.

At the September 25 Parent Education Session, Ben will:

- Explain the difference between today's corporately-produced marijuana and what was grown naturally & consumed in the past
- Identify current forms of THC consumption including edibles, vapes, & concentrates
- Clarify the science of today's marijuana and the harms associated with it
- Share what is happening in Colorado due to marijuana legalization
