# Scope of Global Business

Foshan Nanhai Bainuo Sanitary Product Co., Ltd. is a company focusing on the research and development, production and sales of female hygiene products. Our main products are sanitary napkins and underwear sanitary napkins. Over the past 18 years, we have provided one-stop OEM/ODM services to more than 1,500 brands in more than 60 countries. Bainuo is committed to making environmentally friendly and comfortable products for all customers. The company covers an area of 50,000 square meters, with high standard clean workshop and automatic high-speed production line. Our annual production capacity exceeds 8 billion pieces, ensuring delivery time. In order to provide more innovative and excellent products, we have established laboratories, research and development teams. We have a complete quality management system and have obtained several certificates, including ISO9001 and CE certification. We are known for competitive products and highquality service!
