Henrico Community Food Bank's Newsletter- Fall Edition

**You distributed 4,290 pounds
of food at our Fall Community
Food Distribution!**

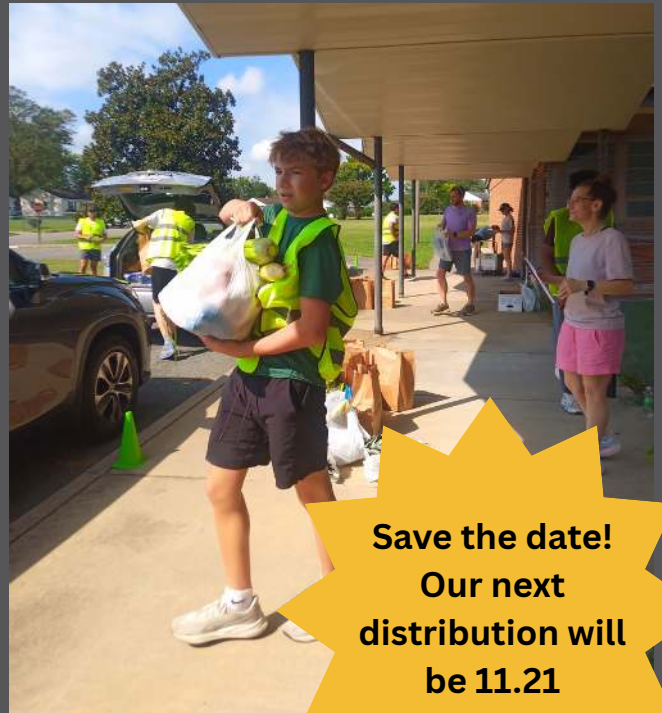

Henrico Community Food Bank's Fall Community Food Distribution was a smashing success!

Our community really came together on Saturday, September 19th when 52 volunteers donated 209 hours of their time to put on Henrico Community Food Bank's Fall Hunger Action Month Community Food Distribution from our headquarters.

Together, we served 3,012.2 lbs of fruits, vegetables, and chicken and 1,278 lbs of shelf stable food to 519 of our Henrico neighbors in need.

A tremendous thank you goes out to all of you who have supported HCFB to make this event possible! And an extra special thank you to everyone who joined to manage the traffic, run product up and down countless times, load vehicles, complete client intake, heft boxes and left everything squeaky clean so we were ready for the work week!

Save the date!
Our next
distribution will

Just 48 Hours to Make a Hunger Action Month Gift, and Power our New Grocery Pickup Program!

At Henrico Community Food Bank, we are honoring Hunger Action Month (the month of September) by introducing a brand new way to help feed Henrico residents- the **Grocery Pick Up Program!**

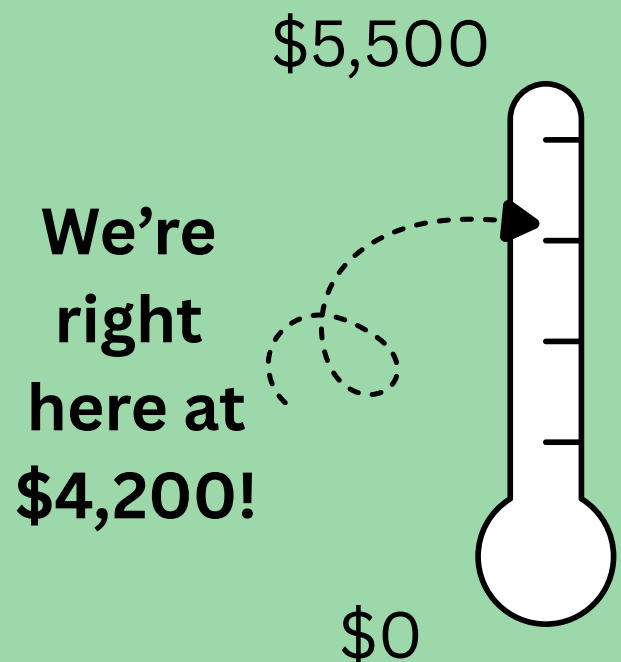

We are just \$1,300 away from the \$5,500 we need to cover the start up costs of this new program for our clients!

Your contribution now will provide food to those in our community who need it most, at a time when access to healthy and affordable food is becoming a bigger problem for more people- especially some of our most vulnerable community members.

To augment our trademark home delivery service, the new Grocery Pick Up Program allows HCFB clients - new and

existing, to schedule a pickup of shelf stable and fresh produce food items at our headquarters on a day convenient to them.

This new program not only provides greater flexibility and choice for our clients, but also allows us to meet the escalating need.

Make Your Hunger Action Month Gift Today with the Link Below!

Because of you, we served 29% more clients this fiscal year

This fiscal year marked the fifth year that HCFB has been working to combat hunger across Henrico County through door-to-door delivery of nutritious food.

Thanks to HCFB's dedicated staff, volunteers, and community partners, we provided food to 31,824 clients, the highest number in a year so far! We served children, families, seniors, newcomers to our community, and working households facing difficult choices.

Our volunteers, staff, donors, faith communities, corporate and foundation partners, county government partners, schools, and civic organizations helped fill bags with perishable and shelf-stable food, deliver groceries in all five magistrates of the county, and connect with our clients in a compassionate way.

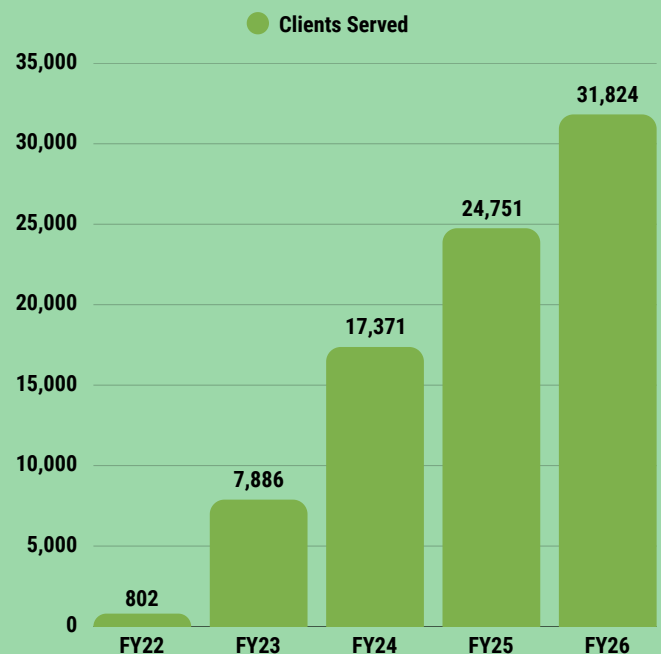

We are especially grateful for the partnerships that make this work possible. Every contribution—whether a financial gift, a food drive, a volunteer shift, a referral, or a word of encouragement—helps ensure that nutritious food reaches neighbors who need it most.
