

# **HAPPY 2019!**

**I want to extend my sincere appreciation to all of you to making Florauna Lodge Grooming a successful endeavor after one year of establishment.**

**Upon evaluation of operational costs, I have determined that it is necessary to increase my prices. This change will be an additional \$10 per dog but the nail trimming will remain the same. March 1st, 2019 will be the effective date.**

**I am offering the 2018 pricing to remain the same to anyone who wishes to purchase sessions in advance. You may purchase any amount you wish, even if it is only one. You may decide not to participate as well and that is perfectly okay.**

**The proceeds will hopefully help me obtain another grooming salon that is in desperate need to keep up with the demand for my mobile service.**

**I have set up a tab on my website where you can pay via Paypal or credit card, whichever is easier for you. If you prefer, you may pay by check as well. Here's the information you will need :**
