The Johnstown R/C Club

Digital Dope Sheet

AMA Charter # 718

August 2026

2026– Johnstown RC Clubs 64th Year

Upcoming Activities.....

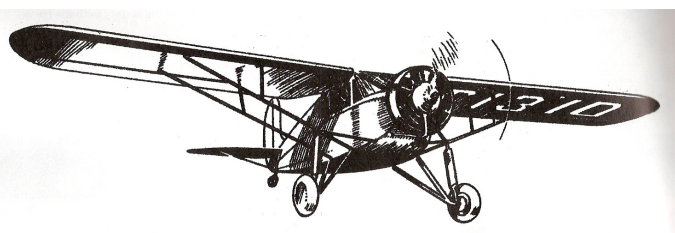

Sunday, July 26: Monthly Family Picnic, 5 pm at the field, bring a dish to pass and a couple planes to fly! Don't miss this one!

Tuesday, Aug. 4: Our regular club meeting night, 8 pm at the Richland Twp Municipal Building. Fly first if it's nice a nice evening.

Sunday, Aug. 30: Monthly Family Picnic at the field, bring a dish and enjoy a quick hot dog meal! Always a good time to fly too!

Flying Field looking good...

Our field has been in great shape and our members are enjoying flying in the mornings, evenings and weekends! If you haven't been out, you are missing a good time!

Below, Ken, Roger, Sam, Gary, & Neil on the morning of June 30th!

Gary Gardner getting ready to fly

Sam at the controls! It was hot, but we had very calm winds, and so it was an excellent day for flying!

Neil and Ken discussing all things RC! It was a beautiful day!

On Wednesday, July 1st Roger took his Cessna 150 out for a spin and everything went well. This is the one he bought from our District III V.P. Mark Radcliff last fall. It's fun flying BIG!

Roger and his 7 ft. Cessna 150

July Meeting Recap.....

We had a good meeting on Tuesday, July 7th held just after a hard rain, so there wasn't any flying prior to our meeting.

Above, Neil showed us his Mini-telemaster that he is building, and below, John Sharp demonstrated a new RC car he is working on.

Several club members took it for a spin around the room using "first person" technology. Below, Our newly painted Flight Box, Thank you Ken Shilling
