Message from President Jim Andrews

Thanks to Jim Zamerski, Bill Cecchetti, and Ron Andrews, for volunteering a morning of their time to fill in some bare spots on the field and to seed it. With the rainy days that followed the grass got a good start. This Wednesday, May 19 is a Night Fly at our field. So dust off your planes and come out to fly or just to watch. Saturday, May 29th, is our annual field cleanup day. We get started at 9:30am and it usually lasts till noon. So come on out, bring rakes, grass trimmers, weed cutters, and a determination to make our field something we can be proud of. Look around the field between now and then to see what needs done and if we need to bring something special on cleanup day to do that. The Westmoreland County Airshow is the same weekend so we may see some flyovers. Our field is usually closed to flying Friday, Saturday, and Sunday of the airshow from morning till 5pm. A notam has not be sent out yet but as soon as it is we will send out an email and post the field.

Sunday, June 6th is our Opening Day Fun Fly. Pylon racing and streamer combat will be held the same day . We would like to have other flying events that day but we need volunteers to help run the events. So please, step up and let one of the officers know that you are able to help out. These are low key, fun events, so, no pressure!

Fly Safely, and see you at the field.

Jim Andrews

Presidents Remarks

Raking and seeding Thanks to Jim Z, Bill C., Ron A for their work.

Highpoint Aviation Thermal/Slope event near Cumberland MD. Was a fantastic flight day. I you could get a plane off the ground, it was going to stay up for at least an hour. Beautiful place to soar.

Modified Opening Day Will be needing volunteers to stage events as Jim A. will be out of town. If you have any ideas for competition, races, fun fly, please notify one of our officers..

Cleanup Day at Will be on May 29th. With a rain date of May 30th. It is the weekend of the Westmoreland County Airshow (which means **our** field will be closed to flying) . Please bring rakes, clippers , rakes, and gloves. AND don't forget eye protection! There will be field restrictions during the day on Fri-Sun May 28-30. Signs will be posted on the field.

Night Fly and Float Fly permits have been secured. See calendar for dates.

Fuel Committee 10 cases on order

Museum Committee Absent

No Break

New Business

Electricity to the Field. We may have a window of possibility with new moneys available in the county park system to do this. We will be discussing this further as we get more information. Stay tuned.

Pavilion is in need of renovation Is in the talking stage.

Meeting adjourned

Keep texting or emailing pictures (any size or format) to me and any other RC related events, notices, interesting websites, or RC stuff you want to sell. (Members have been very successful in selling their overstock!) You can also bring photos to the monthly meeting. I will either post them in the Newsletter, on Facebook, in the "Live Calendar", or out in a special email.
