Meeting Minutes- October Meeting

Meeting called to order by President Mike Ryan at 6:05pm.

We had a brief discussion on the full scale pilot group that landed at Jetway for lunch.

We discussed the possible implementation of a rain date for next year's float fly. An official decision has not yet been made.

No officer nominations were offered at the meeting. As a result, all current officers will be reinstated for another term.

We decided to have one night fly per month next season going May thru September.

The idea of putting Snow Fence up at Diamond St. to help stop the turffing was discussed.

Meeting Adjourned at 7:00 pm.

Dues are due by the end of March. A late fee of one pepperoni pizza shall be assessed after April 1st. Payable directly to the Secretary Treasurer.

Next season, we will be holding a night fly each month running April thru September. The tentative dates are as follows:

April 29th, May 20th, June 24th, July 22nd, August 26th and September 30th. All dates are Saturdays.

A big thank you goes out to our mowers this season. Mike Ryan, Bob Eaglen and Gene Bison. Without them our fields would be unusable. A big thanks to Bob Eaglen for taking up most of the slack at Diamond St. while Mike's truck was down. If I have missed anyone that may have also mowed, a big thanks goes to you as well.
