

## DISTRICT NEWS

### District III

Ohio, Pennsylvania, West Virginia

**Swap meets continued!** On March 22, 2025, the Urbana, Ohio, swap meet was held in the Champaigne Aviation Museum. Dave Milner and crew set up tables among the full-scale aircraft. The main display was a B-17 restoration project. There were many other full-scale aircraft to look at, along with all of the swap tables.

The Urbana Swap Meet.

More full-scale aircraft at Urbana.

**The Toledo R/C Swap Meet & Expo** was held in the Glass City Center in downtown Toledo, Ohio, on April 4-5, 2025. If you remember the old Weak Signals Toledo R/C Model Expo show, this is now similar to that event. It featured a large swap area, a vendor area, a model static display, an RC car short track, and an indoor flying area that kept you occupied all day on the main floor. People from across the country attend this venue, meeting old friends and making new ones.

**Next up** is the Fairfield Ohio Radio Kontrol Society (FORKS) swap meet that was held at the Fairfield County Fairgrounds in Lancaster,

different because, along with an aircraft swap meet, it also included a model train swap meet in a separate building next door.

You could cruise through the aircraft building, and then visit the train section. There were several train layouts set up for people to enjoy. The entry fee included access to both buildings. This also meant that dual concessions were required, but the ladies handled the situation with ease. It was a great turnout with all of the tables in both buildings sold out.

Some of the FORKS people: Marti Bortz, Lou Wagner, Mary Householder, and Linda Waits.

Other FORKS important people: Darlene Scott, Suzan Thimmes, and Pam O'Hare.

If you want to see your event displayed here,

III
