

District III

Ohio, Pennsylvania, West Virginia

I received the following information from Kevin Martorana of the Lancaster County Radio Control Club (LCRRC) in Lancaster, Pennsylvania.

LCRRC held its second annual Fallen Friends Fun Fly on Saturday, June 14, 2025. Jim Shertz, the vice president of the club, designed a fun day for the club members.

Door prizes, combined with great food, made for a relaxing day at the field. Flying adventures included dropping a golf ball on a target, carrier landing skill, and the limbo fly. The lowest limbo was 2 feet off the ground, and one member flew under it without hitting the ground.

This is a great event to remember our missing club members and to enjoy the hobby and the camaraderie of flying airplanes.

In September, we held our annual Charity Fly, where we get pilots from all over the area, plus club members, to donate money to fly for the local public. It's always been an amazing event and had a great turnout. This year, we collected more money than ever before, and then matched that amount, for the final donation to Anchor Lancaster (anchorlancaster.org).

Here is a link to the Charity Fly 2025: facebook.com/share/v/1DPQbpVDyB.

LCRCC President Jeff Guito presents a check to Patty Eastep, the executive director of Anchor Lancaster.

Thank you, LCRCC, for your outstanding efforts in promoting model aviation and fostering a positive community spirit.

As I write this, District III is experiencing

heavy winter snowstorms, yet several clubs are still flying. The photos below show District III members participating in outdoor and indoor flying despite the weather.

Dewey Davenport's indoor flying event in Springfield, Ohio.

The Johnstown, Pa., RC Club Indoor Fun Fly.

Northeast Ohio indoor RC flying in Kent, Ohio.

The Wheeling, W. Va., Hill Hoppers Freeze Fly.

The Flying Wing Nutz of WV, Fairmont Flyers, and Clarksburg Model Aviation Club Indoor Fun Fly in Bridgeport, W.Va.

Until next month, stay safe and fly safe!
