

Hello District 3 members.

I am humbled by the opportunity to serve as your AVP for the Lehigh Valley, Pa. area. I'm looking forward to serving as your advocate, promoting the hobby and AMA, and paying it forward.

I have loved everything about airplanes since I was a young child, and flew my first RC airplane at age 11, 49 years ago. My passion for aviation led me to a very rewarding career as a pilot for Northwest, then Delta Air Lines.

I have been very active in the RC jet community since the early 2000's, and have served as a contest director for numerous jet and giant scale events over the years. I am also a leader member, and LMA inspector, and have worked with one of my local clubs in their learn to fly program.

Please don't hesitate to reach out to me if there's anything I can do to help, share information, or anything at all. Thank you for this opportunity, and I will do my best to serve you well.
