ARTICLE III

VOTING RIGHTS IN ASSOCIATION

Section 3.01 Classes of Voting Membership. The Association shall have two (2) classes of voting membership as follows:

Class A. Class A Member shall be all Owners in the Property, with the exception of the Grantor, for so long as there exists a Class B membership for the Association. Class A Members shall be entitled to one (1) vote for each Lot owned. Grantor shall become a Class A Member with regard to Lots owned by Grantor upon conversion of Grantor's Class B

Membership as provided below. When more than one person holds an interest in any Lot, all such persons shall be Members. The vote for such Lot shall be exercised in accordance with Article III, Section 3.02 of this Declaration, and in no event shall more than one (1) Class A vote be cast with respect to any Lot.

Class B. The Class B Member shall be the Grantor, and Grantor shall be entitled to ten (10) votes for each Lot owned by Grantor. The Class B Membership shall cease and be converted to Class A Membership on the happening of the earliest of the following events:

- a. At such time as seventy-five percent (75%) of the sum of all Units available for sale or included within Hunter's Glen 1st Addition, combined, have been deeded to owners other than the developer; or
- b. Ten (10) years from the Close of Sale of the first Lot sold in the Property; or
- c. Upon Grantor's written relinquishment of its Class B Membership.

Section 3.02 Vote Distribution. Class A Members shall be entitled to one (1) vote for each Lot owned. When more than one person has an interest in any Lot ("co-owner"), all such co-owners shall be members and may attend any meeting of the Association, but only one such co-owner shall be entitled to exercise the vote to which the Lot is entitled. Such co-owners may from time to time designate in writing one of their number to vote. Fractional votes shall not be allowed, and the vote for each Lot shall be exercised, if at all, as a unit. Where no voting co-owner is designated or if such designation has been revoked, the vote for such Lot shall be exercised as a majority of the co-owners of the Lot mutually agree. Unless the Board receives a written objection from a co-owner, it shall be presumed that the voting co-owner is acting with the consent of his or her co-owners. No vote shall be cast for any Lot where the majority of the co-owners present in person or by proxy and representing such Lot cannot agree to said vote or other action. The non-voting co-owner or co-owners shall be jointly and severally responsible for all of the obligations imposed upon the jointly owned lot and shall be entitled to all other benefits of ownership. All agreements and determinations lawfully made by the Association in accordance with the voting percentages established herein, or in the By-Laws, shall be deemed to be binding on all Owners, their successors and assigns. Said voting rights shall be subject to the restrictions and limitations provided in this Declaration, the Articles and By-Laws, provided, however, Grantor or its assigns shall have the absolute right to appoint one (1) Member to the Board of Directors regardless of the voting results.

ARTICLE IV

JURISDICTION OF ASSOCIATION

Section 4.01 The Association, acting through its Board of Directors shall also have:

- a. The authority and the duty to maintain, repair and otherwise manage the Common Areas and Landscape Maintenance Areas and all utilities, improvements and landscaping thereon, all in accordance with the provisions of this Declaration. In addition, although not to be owned by the Association, the Association shall maintain, plow, and

g. The authority but not the duty to employ or contract with a professional manager to perform all or any part of the duties and responsibilities of the Association, and the authority to delegate its authority to committees, officers and employees.

h. The authority but not the duty to, after Notice and Hearing, without being liable to any Owner, enter any Lot or Dwelling Unit for the purpose of enforcing by peaceful means the provisions of this Declaration, or for the purpose of maintaining or repairing any such area if for any reason whatsoever the Owner fails to maintain or repair any such area as required by this Declaration. Said cost shall be a Special Assessment on said Owner's property and shall create a lien enforceable in the same manner as other Assessments as set forth in this Declaration. Said Owner shall pay promptly all amounts due for such work.

ARTICLE V

COVENANT FOR ASSESSMENTS

Section 5.01 Creation of the Lien and Personal Obligation of Assessments. Grantor, for each Dwelling Unit owned within the Property, hereby covenants, and each Owner of any Dwelling Unit by acceptance of a deed or real estate contract therefore, whether or not it shall be so expressed in such deed or contract, is deemed to covenant and agree, to pay to the Association (1) monthly Common Assessments for Common Expenses, (2) Capital

Improvement Assessments, (3) Special Assessments, and (4) Reconstruction Assessments; with such Assessments to be established and collected as hereinafter provided. Such Assessments, together with interest as set out herein, costs and reasonable attorney's fees for the collection thereof, shall be a lien on the Dwelling Unit and Lot thereunder, and shall be a continuing lien from the due date of the Assessment against the same, regardless of any transfer in ownership. Each such Assessment, together with such interest, costs and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of the Dwelling Unit at the time when the Assessment fell due.

Section 5.02 Creation of Fund. The Board of Directors shall establish a separate account (the "Association Maintenance Fund") into which shall be deposited all Assessments paid to the Association and from which disbursements shall be made in performance of functions by the Association. The Association Maintenance Fund shall include (1) an operating fund for current Common Expenses, and (2) a reserve fund for Common Expenses which would not reasonably be expected to recur on an annual or less frequent basis. If an operating fund or reserve fund proves at any time to be inadequate for any reason, the Board may at any time levy a supplemental Common Assessment, subject to the provisions of Section 5.05 of this Article.

Section 5.03 Purpose of Common Assessments. The Common Assessments levied by the Association shall be used exclusively to promote the common health, safety, benefit, recreation and welfare of the Owners and for the improvement and maintenance of the Common Areas. Nothing in this Declaration shall be construed in such a way as to permit the Association to use any Assessments to abate any nuisance or annoyance emanating from outside the boundaries of the property, without the prior approval of the Board. Common Assessments shall include without limitation, and the Association shall acquire and pay for out of the applicable funds derived from said Common Assessments, the following:

- a. Water, sewer, electrical, lighting and other necessary utility services for the Common Areas. Each Dwelling Unit Owner shall be responsible for paying its own refuse collection service, water, and electricity usage, as well as any other individually measured utility or service, promptly when due.
- b. Maintenance and repair of any non-dedicated, private streets lying within the Common Areas, as well as all costs of snow removal and street cleaning related to said areas.
- c. Landscape planting and maintenance by the Association of all landscaping, planted areas and sprinkler systems within the Common Areas, including commonly metered irrigation and electrical services.
- d. Fire and casualty insurance with extended coverage as provided herein, covering the full insurable replacement cost of the Common Areas Improvements.
- e. Liability insurance, as provided herein, insuring the Owners and the Association, its Directors and Officers against any liability to the public or to any Owner, their invitees or tenants, incident to their occupation and use of the Common Areas, and Landscape Maintenance Areas, with limits of liability to be set by the Board of Directors of the Association.

f. Worker's Compensation Insurance to the extent necessary to comply with any applicable laws, medical payments, insurance, liquor liability insurance and any other insurance deemed necessary by the Board of Directors of the Association.

g. Standard fidelity bonds covering all members of the Board of Directors of the Association and other employees and volunteers of the Association as and in an amount as determined by the Board of Directors, but not less than two times the sum of the annual Common Assessments of the Association.

h. Painting, maintenance, repair and replacement of all buildings, equipment, recreation facilities, fences and landscaping in, on, and of the Common Areas, as the Board shall determine is necessary and proper.

i. All real estate taxes pertaining to the Common Areas, and applicable personal property taxes on property owned by the Association and used in the Common Areas.

j. Any other materials, supplies, furniture, labor, services, maintenance, repairs, structural alterations, insurance, taxes or assessments which the Association is required to secure or pay for pursuant to the terms of this Declaration or by law or which in the opinion of the Associations' Board of Directors shall be necessary or proper for the operation of the Common Areas or for the enforcement of the provisions of this Declaration.

Section 5.04 Adjustment of Common Assessment. From and after the Close of Sale of the first Lot and/or Dwelling Unit on the Property, the amount of the components which make up the monthly dollar amount of the Common Assessment for Dwelling Units or Commercial Unit pursuant to Section 5.03 above may be increased or decreased by the Board effective as of January 1 of each year thereafter without a vote of the membership, by not more than ten percent (10%) of the monthly Assessment amount charged for the most recent Assessment year. The monthly Common Assessment charged to the Owners of all Lots and/or Dwelling Units pursuant to Section 5.03(a) above may be increased or decreased by the Association by more than ten percent (10%) with the consent of at least two-thirds (2/3) of the voting power of those Members voting in person or by proxy at a meeting duly called for such purpose, written notice of which shall be sent to all Members not less than twenty (20) days nor more than sixty (60) days in advance of the meeting.

Section 5.05 Capital Improvement and Reconstruction Assessments. In addition to the Common Assessment authorized above, the Board of Directors of the Association may levy, in any assessment year, a Capital Improvement Assessment or Reconstruction Assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of any improvement or other such addition upon the Common Areas, including mixtures and personal property related thereto; provided that whenever the aggregate Capital Improvement and Reconstruction Assessments in any fiscal year exceed five percent (5%) of the budgeted gross expenses of the Association for that fiscal year, such excess shall require the consent of two-thirds (2/3) of the voting power of those Members, voting in person or by proxy, at a meeting duly called for such purposes, written notice of which shall be sent Members not less than twenty (20) days nor more than sixty (60) days in advance of the meeting.

Section 5.06 Uniform Rate of Assessment and Due Date. Except as stated to the contrary herein, Common Assessments, Capital Improvement Assessments and

Reconstruction Assessments provided for in this Article V shall be established at a uniform rate; provided, however, the Association may, subject to the provisions of this Article, levy Special Assessments against specific Owners who have caused the Association to incur special expenses due to willful or negligent acts of said Owners, their guests or agents. All Assessments shall be due and payable at such frequency as the Board shall determine from time to time. Common Assessments may be collected in the Board's discretion, in advance on an annualized basis.

Section 5.07 Date of Commencement of Common Assessments; Financial Statements; Budget. The obligation for Common Assessments shall commence on the first day of the month following the Close of Sale of the first Dwelling Unit. Written notice of any change in the amount of any monthly Common Assessment shall be sent to every Owner not less than twenty (20) days prior to the effective date of such change. The Association shall, upon demand, and for a reasonable charge, furnish a certificate signed by an officer or agent of the Association, setting forth whether the Assessments on a specified Unit have been paid. A properly executed certificate of the Association as to the status of Assessments against a Unit is binding upon the Association as of the date of its issuance.

The Board of Directors shall cause to be prepared an annual balance sheet and operating statement reflecting income and expenditures of the Association for each fiscal year, including deposits in and withdrawals from any reserve funds, and shall cause to be distributed a copy of each such statement to each Member, and to each First Mortgagee who has filed a written request for copies of the same with the Board of Directors, in the manner provided in the By-Laws.

At least sixty (60) days prior to the beginning of each fiscal year, the Board of Directors shall prepare and distribute to the membership of the Association a written, itemized estimate (budget) of the income and expenses of the Association during such year in performing its functions under this Declaration (including a reasonable provision for contingencies and deposits into any reserve funds, less any expected income and accounting for any surplus from the prior year). If the estimated sums prove inadequate for any reasons, including non-payment of any Owner's Common Assessment, the Board may at any time levy supplemental Common Assessments, subject to the provisions of this Article.

Section 5.08 Exempt Property. The following portions of the Property subject to this Declaration shall be exempt from the Assessments herein:

- a. All portions of the Property dedicated to and accepted by a local public authority;
- b. The Common Areas;
- c. All Lots and/or Dwelling Units owned by the Grantor; provided, however, Grantor shall reimburse the Association as long as Grantor is an owner of a Lot and/or Dwelling Unit, for its proportionate share of the remaining actual cost of Common Expenses after application of the Common Assessments, based on the number of remaining Lots owned by Grantor in relation to the total number of Lots in the Property owned by Grantor and those other persons with Dwelling Units, in the planning stage or under construction as described in Section 5.08(d) below; and

d. All Lots owned by persons other than the Grantor with Dwelling Units in the planning stage or under construction, until each such Dwelling Unit is sold to a consumer/purchaser; provided, however, each-such Owner shall reimburse the Association for such Owner's proportionate share of the remaining actual cost of Common Expenses after application of the Common Assessments, based on the number of such Lots owned by such Owner in relation to the total number of Lots in the Property owned by Grantor and other persons with Dwelling Units in the planning stage or under construction as described in this subsection.

ARTICLE VI

EFFECT OF NON-PAYMENT OF ASSESSMENTS REMEDIES OF THE ASSOCIATION

Section 6.01 Effect of Non-Payment of Assessment; Remedies of the Association. Any Common Assessment, Capital Improvement Assessment, Special Assessment or Reconstruction Assessment or installment thereof not paid within thirty (30) days after the due date shall bear interest from the due date at the highest rate allowed by law, and the Owner responsible therefor may also be required further by the Board of Directors to pay each month a late charge of Five Dollars (\$5.00) or five percent (5%) of the amount of the delinquent assessment or installment, whichever is greater. The Association may bring an action at law against the Owner personally obligated to pay the same, and/or foreclose the lien against the Lot and/or Dwelling Unit and/or Commercial Unit. No Owner may waive or otherwise escape liability for the Assessments provided for herein by non-use of the Common Areas or abandonment of his Unit.

If any installment of any Assessment is not paid within thirty (30) days after its due date, the Board may mail an Acceleration Notice to the Owner and to each First Mortgagee of a Dwelling Unit or Commercial Unit which has requested a copy of the notice. The notice shall specify (1) the fact that the installment is delinquent, (2) the action required to cure the default, which action shall include paying all installments coming due during the period allowed to cure the default, (3) a date, not less than thirty (30) days from the date the notice is mailed to Owner, by which such default must be cured, (4) that failure to cure the default on or before the date specified in the notice will result in acceleration of the balance of the installments of the Assessment for the then current fiscal year and sale of the Lot and Dwelling or Commercial Unit, and (5) the legal description of the Lot and Dwelling or Commercial Unit. If the delinquent installments of Assessments and any charges thereon are not paid in full on or before the date specified in the notice, the Board may, at its option without further demand, enforce the collection of the full Assessment and all charges thereon in any manner authorized by law and this Declaration.

Section 6.02 Notice of Assessment. No action shall be brought to enforce any Assessment lien, unless at least ten (10) days have expired following the date a Notice of Assessment is deposited in the United States mail, certified or registered, postage prepaid, to the Owner of the Lot/Dwelling Unit/Commercial Unit, and a copy thereof has been recorded by the Association in the Office of the Kootenai County Auditor. The Notice of Assessment must recite a good and sufficient legal description of any such Lot/Dwelling Unit/Commercial Unit, the record Owner or reputed Owner thereof, the amount claimed (which may at the Association's option include interest on the unpaid Assessment at the

highest rate allowed by law, plus reasonable attorney's fees and expenses of collection in connection with the debt secured by said lien), and the name and address of the claimant. Such Notice of Assessment shall be signed and acknowledged by an officer of the Association. For the purposes of this Section 6.02, an Acceleration Notice given under Section 6.01 shall be deemed to be a Notice of Assessment if recorded in the Office of the Kootenai County Auditor.

Section 6.03 Foreclosure Sale. Any such sale provided for above may be conducted by the Board of Directors, its attorneys or other persons authorized by the Board in accordance with the provisions of the laws of the State of Idaho for judicially foreclosing mortgages. The Association through duly authorized agents, shall have the power to bid on the Lot and/or Dwelling Unit at foreclosure sale, and to acquire and hold, lease, mortgage and convey the same.

Section 6.04 Curing a Default. Upon the timely curing of any default for which a Notice of Assessment or Acceleration Notice was filed by the Association, the officers thereof shall record an appropriate Release of Lien upon payment by the defaulting Owner of a fee, to be determined by the Association but not to exceed One Hundred Fifty Dollars (\$150.00), to cover the cost of preparing and recording such release. A certificate executed and acknowledged by any two (2) members of the Board stating the indebtedness secured by the lien upon any Lot and/or Dwelling Unit created hereunder shall be conclusive upon the Association and the Owners as to the amount of such indebtedness as of the date of the certificate, in favor of all persons who rely thereon in good faith. Such certificate shall be furnished to any Owner upon request and payment of a reasonable fee, to be determined by the Board.

Section 6.05 Cumulative Remedies. The Assessment liens and the rights to foreclosure and sale thereunder shall be in addition to and not in substitution for all other rights and remedies which the Association and its assigns may have hereunder and by law, including a suit to recover a money judgment or unpaid Assessments, as above provided.

Section 6.06 Mortgage Protection. Notwithstanding all other provisions hereof, no lien created under Articles V or VI, nor any breach of this Declaration, nor the enforcement of any provision hereof shall defeat or render invalid the rights of the Beneficiary under any recorded First Mortgage upon a Lot and/or Dwelling Unit made in good faith and for value; provided that after such Beneficiary or some other person obtains title to such Lot and/or Dwelling Unit by judicial foreclosure or by means of the powers set forth in such Deed of Trust, such Unit shall remain subject to the Declaration and payment of all Assessments accruing subsequent to the date such Beneficiary or other person obtains title and claims for a share of unpaid Assessments reallocated to all units, including each unit foreclosed.

ARTICLE VII

ARCHITECTURAL CONTROL

Section 7.01 Approval by the Board. No buildings, fence, wall or other structure shall be commenced, erected or maintained upon the Property, nor shall an exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials and location of the same shall have been submitted to

and approved in writing as to the quality of materials, harmony of external design and location in relation to surrounding structures and topography by the Board of Directors or designated agent thereof.

Section 7.02 Reasons for Disapproval. The Board or its designated agent shall have the right to disapprove any plans and specifications submitted hereunder because of any of the following:

- a. The failure of such plans and specifications to comply with any of the restrictions contained herein, or to include information as may have been reasonably requested;
- b. The objection to the exterior design appearance, materials, color scheme, finish, proportions, style of architecture, height, bulk or appropriateness of any proposed structure due to a concern that the same could reasonably be expected to adversely impact the value of other Dwelling Units in the Hunter's Glen Subdivision;
- c. The incompatibility of any proposed structure, use or parking areas with existing structures or uses on such Lot or upon other Lots in the vicinity, or the insufficiency of the size of the parking areas in relation to the proposed use of the Lot;
- d. The objection to the grading plan for any Lot, or the location of any proposed structure upon any Lot or with reference to other Lots in the vicinity; or
- e. Any other matter which would render the proposed structures or uses inharmonious with the general plan of improvement of the Property or with structures or uses located upon other Lots in the vicinity or which could reasonably be expected to adversely impact the value of the Dwelling Units in any Phase or Addition to the Hunter's Glen Subdivision.

In any case where the Board or its designated agent shall disapprove any plans and specifications submitted hereunder or shall approve the same only as modified or upon specified conditions, such disapproval or qualified approval shall be accompanied by a statement of the grounds upon which such action was based.

Section 7.03 Unapproved Construction; Remedies. If the exterior of any approved structure shall be altered, or if any new structure is proposed to be erected, placed or maintained upon any Lot, or any new use commenced on any Lot, other than in accordance with plans and specifications approved by the Board or its designated agent pursuant to the provisions of this Article VII, such alteration, erection, maintenance or use shall be deemed to have been undertaken in violation of this Article and without the approval required herein. Upon written notice from the Board or its designated agent, any such structure so altered, erected, placed or maintained upon any Lot in violation hereof shall be removed or re-altered, and any such use shall be terminated, to extinguish such violation. If within fifteen (15) days after the notice of such violation the owner of the Lot upon which such violation exists shall not have taken reasonable steps toward the removal or termination of the same, the Association shall have the right, through its agents and employees, to enter upon such Lot and to take such steps as may be necessary to extinguish such violation. The cost thereof shall be a binding, personal obligation of such owner as well as a lien upon the Lot in question. The lien provided in this Section 7.03 shall not be valid as against a bona fide purchaser (or

bona fide Mortgagee) of the Lot in question unless a suit to enforce said lien shall have been filed in a court of record in Kootenai County, Idaho prior to the recordation among the land records of Kootenai County of the deed or Mortgage conveying the Lot in question to such purchaser or subjecting the same to such Mortgage.

Section 7.04 Building Standards. With respect to Dwelling Units or Commercial Units on the Custom Lots, the following standards shall apply:

a. All fences shall be constructed in accordance with standards approved by the Board, and in compliance with the ordinances of the City of Post Falls, Idaho. No fence, wall or hedge shall be erected or placed on any Lot nearer to any street than the minimum building setback line, or the actual building setback line, whichever is further from the street, except that nothing shall prevent the erection of a necessary retaining wall as approved by the Board or its designated agent. No fence, wall or hedge shall exceed six feet in height. No fence, wall or hedge extending between the rear foundation line of a residence and the front setback line shall be higher than thirty-six (36") inches.

b. No Dwelling Units erected shall exceed two stories in height, to protect some view opportunities of the adjacent and surrounding Lots, with the specific height and roofline design of each such Unit to be reviewed by the Board or its designated agent.

c. As part of the construction phase of each Dwelling Unit, and within ninety (90) days of closing of the purchase of a completed Dwelling Unit, the Owner shall landscape and plant all the yards of such Dwelling Unit.

The Board or its designated agent may modify these standards with respect to the plans and specifications for any particular Lot and/or Dwelling Unit, if the strict application of these standards would create an unreasonable hardship on the Owner, if weather conditions adversely affect completion of any landscaping, or if these standards would create a result inconsistent with the appearance or uses of the Lots and/or Dwelling Units in the vicinity. The Board or its designated agent may also issue rules or guidelines setting forth procedures for the submission of plans for approval requiring a fee payable to the Association to accompany each application for approval or additional factors which it will take into consideration in reviewing submissions.

Section 7.05 Set-Backs. Dwelling Units shall meet the five (5') foot standard set back requirements from the property lines opposite their common property line.

Section 7.06 No Waiver of Future Approvals. The approval of the Board to any proposals or plans and specifications or drawings for any work done or proposed or in connection with any other matter requiring the approval and consent of the Board, shall not be deemed to constitute a waiver of any right to withhold approval or consent as to any similar proposals, plans and specifications, drawings or matter whenever subsequently or additionally submitted for approval or consent.

Section 7.07 Inspection of Work. Inspection of work and correction of defects therein shall proceed as follows:

a. Upon the completion of any work for which approved plans are required under this Article VII, the Owner shall give written notice of completion to the Board.

b. Within thirty (30) days thereafter, the Board or its duly authorized representative may inspect such Improvement. If the Board finds that such work was not done in substantial compliance with the approved plans, it shall notify the Owner in writing of such noncompliance within such thirty (30) day period, specifying the particulars of noncompliance, and shall require the Owner to remedy the same.

c. If upon the expiration of thirty (30) days from the date of such notification the Owner shall have failed to remedy such noncompliance and after affording such Owner Notice and Hearing, the Board shall determine whether there is a noncompliance and, if so, the nature thereof and the estimated cost of correcting or removing the same. If a noncompliance exists, the Owner shall remedy or remove the same within a period of not more than forty-five (45) days from the date of announcement of the Board ruling. If the Owner does not comply with the Board ruling within such period, the Board, at its option, may peacefully remove the noncomplying Improvement or otherwise peacefully remedy the noncompliance, and the Owner shall reimburse the Association, upon demand, for all expenses incurred in connection therewith. If such expenses are not promptly repaid by the Owner to the Association, the Board shall levy a Special Assessment against such Owner for reimbursement.

d. If for any reason the Board fails to notify the Owner of noncompliance within sixty (60) days after receipt of said written notice of completion from the Owner, the Improvement shall be deemed to be in accordance with said approved plans.

Section 7.08 Non-liability of Board Members. Neither Grantor, nor any Member of the Board, nor their representative, shall be liable to the Association, or to any Owner for any loss, damage or injury arising out of or in any way connected with the performance of the Board's duties hereunder, unless due to the willful misconduct or bad faith of the Board.

ARTICLE VIII

MAINTENANCE AND REPAIR OBLIGATIONS

Section 8.01 Maintenance Obligations of Owners. It shall be the duty of each Owner, at his sole cost and expense, subject to the provisions of this Declaration regarding architectural approval, to maintain, repair, replace, and restore areas subject to his exclusive control in a neat, sanitary and attractive condition. Areas subject to the exclusive control of a Lot Owner shall be deemed to include, without limitation, the Owner's Unit and areas within such Owner's Lot, and any landscaped areas between such Owner's Lot and the frontage Street for such Lot. Each Owner shall maintain the driveway and sidewalks if any, located on such Owner's Lot. In the event that any Owner shall permit any Improvement, which is the responsibility of such Owner to maintain, to fall in disrepair or not to be so maintained so as to create a dangerous obstructed, unsafe, unsightly or unattractive condition, or to otherwise violate this Declaration, the Board shall have either the right to seek any remedies at law or in equity which it may have, and the right, but not the duty, after Notice and Hearing, to enter upon such Owner's Lot, to make such repairs or to perform such maintenance, and the cost thereof shall be charged to the Owner. Said cost shall be a Special Assessment and shall create a lien enforceable in the same manner as other assessments as set forth in this Declaration.

ARTICLE IX

CHARGES FOR UTILITY SERVICES

Section 9.01 Direct Charges. Charges to an individual Dwelling Unit for natural gas, power or electricity will be made directly by the applicable utility company to the Dwelling Unit Owner beginning with the first occupancy of the Dwelling Unit. First occupancy means when the first individual service is requested for an Owner or renter of the Dwelling Unit. Charges for telephone, cable television and individual security services will be similarly charged directly to the Owner or renter for the service.

Section 9.02 Water, Sewer and Garbage Charges to be paid Directly. Water, sewer and garbage service will also be charged by the purveyor directly to, and paid by, the individual Owner.

ARTICLE X

USE RESTRICTIONS

All real property within the property shall be held, used and enjoyed subject to the following limitations and restrictions, subject to the exemption of Grantor in Article XVI hereof.

Section 10.01 Single Family Dwelling Units; Leases. Each Dwelling Unit shall be used as a residence for a single family and for no other purpose. No unit shall be leased or rented for less than six (6) months, without prior written approval by the Association Board of Directors.

Section 10.02 Business or Commercial Activity. No part of the Property shall ever be used or caused to be used or allowed or authorized in any way, directly or indirectly, for any commercial, manufacturing, mercantile, retail, wholesale, storage, vending or other business purposes; except Grantor, its successor or assigns, may use any portion of the Property for model home sites, and display a sales office during the construction and/or sale period.

Section 10.03 Nuisances. No noxious or offensive activity (including but not limited to the repair of motor vehicles) shall be carried on, in or upon any Lot and/or Dwelling Unit or the Common Areas, nor shall anything be done therein which may be or become an unreasonable annoyance or a nuisance to any other Owner, including continually barking dogs. Except for snow removal equipment, no lawn mower, chain saw, or other loud noise generating device shall be operated on any Lot between the hours of 8:00 PM to 7:00 AM. The Board of Directors shall have the right to determine in accordance with the By-Laws if any noise, odor, interference or activity producing such noise, odor or interference constitutes a nuisance. No Dwelling Unit Owner or tenant/guest thereof shall be allowed to store any boat, unused vehicle, golf cart, camper, R.V., trailer or the like anywhere on the Property, except within a garage or behind a Board-approved sight obscuring fence, for more than 48 hours. Exposed, unlicensed and unused vehicles shall not be permitted.

Section 10.04. Signs. No sign, poster, display, billboard or other advertising device of any kind shall be displayed to the public view on any portion of the Property or any Dwelling Units, except signs, regardless of size, used by Grantor, its successors and assigns to advertise the Property during construction and sale or lease period, and such signs as may be placed on a Lot by an owner to advertise the sale of the same (provided the same is not in excess of two (2) feet square).

Section 10.05 Unlawful Activity. No improper, offensive or unlawful use shall be made of the properties nor any part thereof and all valid laws, zoning ordinances and the regulations of all governmental bodies having jurisdiction thereof shall be observed:

Section 10.06 Animal Restrictions. No insects, reptiles, poultry or animals of any kind shall be raised, bred or kept in or on any Lot, Dwelling Unit, Commercial Unit or the Common Areas, except that usual and ordinary dogs, cats, fish, birds and other household pets (excluding, without limitations, equine, bovine, sheep, swine and goats) may be kept within the Units, provided that they are not kept, bred or maintained for commercial purposes or in unreasonable quantities, nor in violation of the rules and regulations adopted by the Association as provided in the By-Laws or the applicable ordinances of the City of Post Falls, Idaho. As used in this Declaration, "unreasonable quantities" shall ordinarily mean more than one (1) small pet per household; Provided However, that the Association (or the Board or such other person as the Association may from time to time designate) may determine that a reasonable number in any instance may be more or less. The Association, acting through the Board of Directors, shall have the right to prohibit maintenance of any animal which constitutes, in the opinion of the Board, a nuisance to any other Owner or guest thereof. Animals belonging to Owners, occupants or their licensees, tenants or invitees within the Property must be kept either within an enclosure or on a leash being held by a person capable of controlling the animal. Furthermore, any Owner shall be absolutely liable to each and all remaining Owners, their families, guests, tenants and invitees, for any unreasonable noise or damage to person or property caused by any animals brought or kept upon the property by an Owner or by members of his family, his tenants or his guests, and it shall be the absolute duty and responsibility of each such Owner of an animal to clean up after such animals which have used any portion of the Common Areas, Lots and/or Dwelling Units. Absolutely no dog runs or kennels will be allowed anywhere on the Property.

Section 10.07 Trash, Firewood Storage. No rubbish, trash or garbage or other waste material shall be kept or permitted upon any Lot and/or Dwelling Unit, or Common Areas, except in sanitary containers located in appropriate areas screened and concealed from view, and no odor shall be permitted to arise therefrom so as to render the property, or any portion thereof, unsanitary, unsightly, offensive or detrimental to any other property in the vicinity thereof or to its occupants. Such containers shall be exposed to the view of neighboring Dwelling Units only when set out for a reasonable period of time (not to exceed twelve (12) hours) before and after scheduled trash collection hours. Additionally, all firewood, coal, presto-logs, etc., of any kind shall be stored within the Dwelling Unit or garage and not in view of the public. Each Owner of a Dwelling Unit shall be responsible for cleaning the fireplace chimney flue of said Dwelling Unit on a timely basis, and failure to do so shall give the Association the right to clean said flue and charge said Owner by means of a Special Assessment immediately upon completion.

Section 10.08 Insurance Rates. Nothing shall be done or kept in the Property which will increase the rate of insurance on any property insured by the Association without the

approval of the Board, nor shall anything be done or kept in the Property which would result in the cancellation of insurance on any property insured by the Association or which would be in violation of any law.

Section 10.09 Drainage. There shall be no interference with the established drainage pattern over any Lot within the Property, unless an adequate alternative provision is made for proper drainage and is first approved in writing by the Board. For the purposes hereof, "established" drainage is defined as the drainage which exists at the time that the Dwelling Unit on such Lot is conveyed to a consumer/purchaser from Grantor or other builder, or that which is shown on any plans approved by the Board, which may include drainage from the Common Areas over any Lot and/or Dwelling Unit in the Property.

Section 10.10 Violation of Governing Instruments. There shall be no violation of the restrictions of this Declaration or of the rules and regulations of the Association adopted in accordance with the provisions of the By-Laws. If any Owner, his or her family, guest, licensee, lessee or invitee violates any such restrictions, the Board may impose a reasonable suspension of voting privileges of such Owner as further provided in the By-Laws, as well as reasonably suspend the rights of said persons to use the Common Area facilities. Additionally, the Board may seek any other remedies provided herein or by law.

Section 10.11 No Warranty of Enforceability. While Grantor has no reason to believe that any of the provisions contained in this Declaration are or may be invalid or unenforceable for any reasons or to any extent, Grantor makes no warranty or representation as to the present or future validity or enforceability of any such covenants, conditions and restrictions. Any Owner acquiring a Lot and/or Dwelling Unit in the Property in reliance of one or more of such provisions shall assume all risks of the validity and enforceability thereof and, by acquiring a Lot and/or Dwelling Unit, agrees to hold Grantor harmless therefrom.

ARTICLE XI

EASEMENTS

Section 11.01 Common Area. Each Lot, Dwelling Unit and the Common Areas shall be subject to an easement for encroachments created by construction, settling and overhangs of the buildings or other improvements as designed or constructed. A valid easement for said encroachments and for the maintenance of same for so long as they stand shall and does exist.

Section 11.02 Blanket Easement. There is hereby created a blanket easement upon, through and across and over and under all of said Property for ingress, egress, installation, replacing, repairing and maintaining all utilities and service lines and systems, including but not limited to, water, sewer, gas, telephone, electricity and heat pump lines and a master antenna system and/or cable television system. By virtue of this easement, it shall be expressly permissible for the companies providing electrical, water, sewer, gas, master television antenna, cable television, telephone service, alarm systems and/or heat pump lines to install, erect and maintain all necessary pipes and conduit underground and other necessary equipment at over or below grade on said Property and to affix and maintain electrical cable television and/or telephone wires, gas lines, heat pump lines, circuits and conduits on, above, across and under the roofs and exterior walls and through walls of townhouses or other buildings, and meters and shutoffs at or inside and/or outside said buildings. Further, an

easement is hereby granted to the Association, its officers, agents, employees and to any management company selected by the Association to enter into or to cross over the Common Areas, Lots and/or Dwelling Units and to enter any building during reasonable hours and upon request when occupied (except in an emergency when request may be dispensed with), to inspect and to perform the duties of maintenance and repair of the buildings or Common Areas as provided herein. Notwithstanding anything to the contrary contained in this paragraph, no sewers, electrical lines, water lines, gas lines, heat pump lines or other utilities may be installed or relocated on said Property except as initially programmed and approved by the Grantor or thereafter approved by Grantor or the Association's Board of Directors. Should any utility or organization furnishing a service covered by the general easement above request that a specific easement be provided by a separate recordable document, Grantor shall have the right to grant such easement on said Property provided it not be broader than the terms hereof. The easement provided for in this Section shall in no way affect any other recorded easement on said premises.

Section 11.03 Blanket Easement to Correct Drainage. The Grantor reserves a blanket easement and right, but not an obligation, for itself, its successors and the Association, on, over and under the ground within the Property to maintain and correct drainage or surface water in order to maintain reasonable standards of health, safety and appearance. Such right expressly includes the right to cut any trees, bushes, or shrubbery, make any grading of the soil or to take any other similar action reasonably necessary following which the Grantor, its successors or the Association shall restore the affected property to its original condition as near as practicable. Reasonable notice of intent to take such action shall be given to all affected Owners, unless an emergency appears to exist which precludes such notice.

Section 11.04 Landscape. Grantor reserves an easement for itself, its successors and the Association across all of the Common Areas and all of the Landscaping Maintenance Areas to install maintain, repair and replace fencing and landscaping at the discretion of the Grantor, without, however, any obligation to do so.

Section 11.05 Perimeter Fence Easement. Grantor reserves a five (5') foot easement for itself, its successors and the Association adjacent to and along the perimeter of the Property for the installation, maintenance, repair and replacement of any fence installed by Grantor and/or the Association. Within the easement, no structure, planting or other material shall be placed or permitted to remain which may damage or interfere with the perimeter fence. If fences are placed in any easement area, other than the outside perimeter fence and fencing in the Common Area, it will be the Lot Owner's responsibility to remove it if necessary for the installation, maintenance, repair or replacement of the utilities, drainage facilities or perimeter fence.

ARTICLE XII

OWNER'S PROPERTY RIGHTS

Section 12.01 Owners' Easements of Enjoyment. Every Owner shall have a non-exclusive right of ingress and egress to and over all easements created by the Plat of Hunter's Glen recorded January 18, 2001 at page 260, Book I of Plats, and the plat of Hunter's Glen 1st Addition recorded June 11, 2001 at pages 284 and 284-A, Book I of Plats, and the Common

Areas and a non-exclusive right of enjoyment to the Common Areas which shall be appurtenant to and shall pass with title to every Lot, Dwelling Unit and Commercial Unit, subject to the following provisions:

a. The right of the Association to establish uniform rules and regulations pertaining to the use of the Common Areas.

b. Subject to the provisions of Article XV of this Declaration, the right of the Association to dedicate, release, alienate or transfer all or any part of the Common Areas to any public agency, authority, utility or other person for such purposes and subject to such conditions as may be agreed to by the Members. With the exception of conveyance of easements for utilities serving the Common Areas, the Common Areas shall not be sold, transferred or conveyed by the Association without this Declaration being validly amended to provide for the same.

c. The right of Grantor and its sales agents, representatives and prospective purchasers, to the non-exclusive use of the Common Areas, for access, ingress, egress, use and enjoyment in order to maintain sale facilities and otherwise dispose of the Property as provided herein, until the Close of Sale of all of the Dwelling Units in the Property; provided, however, that such use shall not unreasonably interfere with the rights of enjoyment of the other Owners.

d. The right of the Board to suspend the rights and easements of any Member and the persons deriving such rights and easements from any Member, for use and enjoyment of any recreational facilities located in the Common Areas, for any period during which the payment of any Common, Special Capital Improvement or Reconstruction Assessment against such Member and his or her Dwelling Unit remains delinquent, and, after Notice and Hearing, to suspend such rights and easements for the period set forth in the By-Laws for any violation of the Declaration, Articles, By-Laws or rules and regulations of the Association it being understood that any suspension for either non-payment of any Assessment or breach of such restrictions shall not constitute a waiver or discharge of the Member's obligation to pay Assessments as provided herein.

e. The rights and reservations of Grantor as set forth in Article XVI of this Declaration.

f. The right of the Association (by action of the Board) to reconstruct, replace or refinish any improvement or portion thereof upon the Common Areas, in accordance with the design, finish or standard of construction of such improvement, or of general improvements within the Property, as the case may be; and not in accordance with such original design, finish or standard of construction only with the vote or written consent of a majority of each class of voting membership in the Association.

g. The right of the Association to replace destroyed trees or other vegetation and plant trees, shrubs and ground cover upon any portion of the Common Areas.

h. The rights of any First Mortgagee as set forth in Article XV of this Declaration.

i. Easements for public services, including but not limited to the right of the firefighters, postal carriers and garbage men to enter upon any part of the Common Areas.

Section 12.02 Waiver of Use. No Owner may exempt himself from personal liability for Assessments duly levied by the Association, nor release the Lot and/or Dwelling Unit or other property owned by him from liens and charges hereof, by waiver of the use and enjoyment of the Common Areas and the facilities thereon or by abandonment of his Lot, Dwelling Unit, Commercial Unit or any other Property.

Section 12.03 Title to the Common Area. Grantor covenants for itself, its successors and assigns, that it will convey to the Association fee simple title to the Common Areas free and clear of any and all encumbrances and liens, subject to reservations, easements, covenants, and conditions then of record, including those set forth in this Declaration.

Section 12.04 Taxes. Each Owner shall execute such instruments and take such action as may reasonably be specified by the Association to obtain separate real estate tax assessment of each Unit. If any taxes or assessments may, in the opinion of the Association, nevertheless be a lien on the Common Areas, or any part thereof, they may be paid by the Association and each Owner shall be obligated to pay or to reimburse the Association for the taxes and assessments assessed by the County Assessor or other taxing authority against the Common Areas and attributable to his own Lot and/or Dwelling Unit and interest in the Common Areas; Provided, however, that it is the intent of the Grantor that this Declaration serve to allow the Kootenai County Assessor to assess the Common Area taxes to the Owners of the Lots/Dwelling Units/Commercial Unit equally in lieu of establishing a separate tax parcel for the Common Areas.

ARTICLE XIII

INSURANCE

Section 13.01 Casualty Insurance on Common Areas. The Association shall keep all insurable improvements and fixtures of the Common Areas insured against loss or damage by fire for the full insurance replacement cost thereof, and may obtain insurance against such other hazards and casualties as the Association may deem desirable. The Association may also insure any other property, whether real or personal owned by the Association against loss or damage by fire and such other hazards as the Association may deem desirable, with the Association as the owner and beneficiary of such insurance. The insurance coverage with respect to the Common Areas shall be written in the name of, and the proceeds thereof shall be payable to, the Association. Insurance proceeds shall be used by the Association for the repair or replacement of the property for which the insurance was carried.

Section 13.02 Liability and Other Insurance. The Association may obtain general comprehensive public liability insurance and worker's compensation insurance, insuring the Board, the Association the Owners, Grantor and managing agent, if any, against any liability to the public or the Owners of Lots and/or Dwelling Units and their invitees or tenants incident to the ownership of the Common Areas. The Board may also obtain such errors and omissions insurance, indemnity bonds, fidelity bonds and other insurance as it deems advisable, insuring the Board, the officers of the Association and the manager and any volunteers against any liability for any act or omission in carrying out their obligations hereunder, or resulting from their membership on the Board or on any committee thereof.

Notwithstanding any other provisions herein, the Association shall continuously maintain in effect such casualty, flood and liability insurance and a fidelity bond meeting the requirements for planned unit developments established by the Federal National Mortgage Association ("FNMA"), the Government National Mortgage Association ("GNMA"), and the Federal Home Loan Mortgage Corporation ("FHLMC"), so long as any of which is a Mortgagee or an Owner of a Lot, Dwelling Unit or Commercial Unit in the Property, except to the extent such coverage is not available or has been waived in writing by the FNMA, GNMA and FHLMC, as applicable.

Section 13.03 Manner of Apportioning Assessment for Insurance. Premiums for fire and casualty coverage of Common Area property and general liability coverage insuring the Board, the Association the Owners, Grantor and managing agent, if any, against liability incident to the ownership and management of the Common Areas, shall all be borne equally by all Owners and thus included in the regular Common Assessments of the Owners as levied by the Association.

Section 13.04 Annual Review of Policies. All insurance policies shall be reviewed at least annually by the Board of Directors in order to ascertain whether the coverage contained in the policies is sufficient to make any necessary repairs or replacement of the property which may have been damaged or destroyed.

ARTICLE XIV

DAMAGE, DESTRUCTION OR CONDEMNATION

Section 14.01 Damage or Destruction of Common Area. Damage to or destruction of all or any portion of the Common Areas shall be handled in the following manner:

a. In the event of damage or destruction to any of the Common Areas, and the insurance proceeds are sufficient to effect total restoration then the Association shall cause such Common Area to be repaired and reconstructed substantially as it previously existed.

b. If the insurance proceeds are within Five Thousand Dollars (\$5,000.00) or less of being sufficient to effect total restoration to the Common Areas, then the Association shall cause such Common Areas to be repaired and reconstructed substantially as they previously existed, and the difference between the insurance proceeds and the actual cost shall be levied as a Reconstruction Assessment equally against each of the Unit Owners, in accordance with the provisions of Article, Section 5.06, of this Declaration.

c. If the insurance proceeds are insufficient by more than Five Thousand Dollars (\$5,000.00) to effect total restoration to the Common Areas, then by written consent or vote of majority of the Members of the Association, the Members shall determine whether (1) to rebuild and restore in substantially the same manner as the improvements existed prior to damage and to raise the necessary funds over the insurance proceeds by levying equal Reconstruction Assessments against all Units, (2) to rebuild and restore in a way which utilizes all available insurance proceeds and an additional amount not in excess of Five Thousand Dollars (\$5,000.00) and which is assessable equally to all Unit Owners but which is less expensive than replacing these improvements in substantially the same manner as they existed prior to being damaged, or (3) subject to the provisions of Article XV, to not rebuild

and to distribute the available insurance proceeds equally to the Owners and Mortgagees of Units as their interest may appear.

d. Each Member shall be liable to the Association for any damage to the Common Areas not fully reimbursed to the Association by insurance proceeds arising out of or caused by the willful or negligent act of any Owner, his family, guests or invitees. Repair or replacement shall be done at the Owner's expense, or, after Notice and Hearing, a Special Assessment therefore shall be made by the Board against the Owner and his Unit.

Section 14.02 Condemnation of Common Area. Except as provided herein, if all or any part of the Common Areas shall be taken or condemned by any public authority or sold or otherwise disposed of in lieu of or in avoidance thereof, the provisions of this section shall apply. The Board shall provide each Owner and each First Mortgagee with a written notice of the commencement of any such condemnation proceeding and of any proposed sale or disposition in lieu of or in avoidance of such proceeding.

All compensation, damages, or other proceeds therefrom, the sum of which is hereinafter called the "Condemnation Award", shall be payable to the Association. In the event that all of the Common Areas are taken or condemned, or sold or otherwise disposed of in lieu of or in avoidance thereof, the Condemnation Award shall be divided equally among the Owners and Mortgagees of the Dwelling Units and Lots as their interests may appear.

In the event that less than the entire Common Areas are taken or condemned, or sold or otherwise disposed of in lieu of or in avoidance thereof, the rights, title, interests, privileges, duties and obligations of an Owner and Mortgagee in, to or with respect to the Common Areas not so taken or condemned shall continue in full force and effect as provided in this Declaration.

Any reconstruction and repair necessitated by condemnation shall be governed by the procedures specified in Section 14.01 above.

ARTICLE XV

MORTGAGEE PROTECTION CLAUSE

Section 15.01 Notwithstanding any and all provisions hereof to the contrary, the following provisions are added hereto (and to the extent these added provisions conflict with any provisions of the Declaration these added provisions shall control):

a. Each First Mortgagee of a Mortgage encumbering any Lot or Unit, at its written request, is entitled to written notification from the Association of any default by the Mortgagor of such Lot or Unit in the performance of such Mortgagor's obligations under this Declaration, the Articles of Incorporation of the Association or the By-Laws, which default is not cured within thirty (30) days after the Association learns of such default.

b. Unless at least seventy-five percent (75%) of First Mortgagees have given their prior written approval neither the Association nor the Grantor shall:

1. subject to Idaho non-profit corporation law to the contrary, by act or omission seek to abandon, partition, alienate, subdivide, release, hypothecate, encumber, sell

or transfer the Common Areas and the improvements thereon which are owned by the Association;

(The granting of easements for public utilities or for other public purposes or consistent with the intended use of such property by the Association as provided in this Declaration, shall not be deemed a transfer within the meaning of this clause).

2. change the method of determining the obligations, assessments, dues or other charges which may be levied against a Unit Owner, or the method of allocating distributions of hazard insurance proceeds or condemnation awards;

3. by act or omission change, waive or abandon any scheme of regulations, or enforcement thereof, pertaining to the architectural design of the exterior appearance of the Units, the maintenance of the exterior walls or common fences and driveways, or the upkeep of lawns and planting in the Property;

4. amend this Declaration or the Articles of Incorporation or By-Laws of the Association in such a manner that the rights of any First Mortgagee will be adversely affected.

c. First Mortgagees, upon written request, shall have the right to (1) examine the books and records of the Association during normal business hours, (2) require from the Association the submission of annual financial reports and other financial data within ninety (90) days following the end of any fiscal year of the Association, (3) receive written notice of all meetings of the Members, and (4) designate in writing a representative to attend all such meetings.

d. The Board shall secure and cause to be maintained in force at all times a fidelity bond for any person handling funds of the Association, including, but not limited to, employees and volunteers of any professional manager.

ARTICLE XVI

GRANTOR EXEMPTION

Section 16.01 Grantor or its successors or assigns will undertake the work of developing the Common Areas and the infrastructure for the Lots to be used as building sites for Dwelling Units or Commercial Unit. The completion of that work and age of the Lots are essential to the establishment and welfare of the Property as a first-class residential community. In order that said work may be completed and the Property established as a fully occupied residential community as rapidly as possible, no Owner nor the Association shall do anything to interfere with, and nothing in this Declaration shall be understood or construed to:

a. Prevent Grantor, its successors or assigns, or its or their contractors or subcontractors, from doing on any Lot and/or Dwelling Unit owned by them whatever they determine to be necessary or advisable in connection with the completion of said work; or

b. Prevent Grantor, its successors or assigns, or its or their representatives, from erecting, constructing and maintaining on any Common Area or any Unit or portion thereof

owned or controlled by Grantor, or its successors or assigns or its or their contractors of subcontractors, such structures as may be reasonably necessary for the conduct of its or their business of completing said work and establishing the Property as a residential community and disposing of the same in Lots or Dwelling Units by sale; or

c. Prevent Grantor, its successors or assigns, or its or their contractors or subcontractors, from conducting on any Lot or Dwelling Unit owned or controlled by Grantor, or its successors or assigns, its or their business of developing, grading and constructing Dwelling Units and other improvements in the Property as a residential community and of disposing of Lots and/or Dwelling Units thereon by sale; or

d. Prevent Grantor, its successors or assigns or its or their contractors or subcontractors, from maintaining such sign or signs on the Common Areas or any Dwelling Unit owned or controlled by any of them as may be necessary in connection with the sale, lease or other marketing of Lots and/or Dwelling Units in the Property; or

e.
