

AVIATION FAMILY NETWORK

When a pilot enters HIMS, the family needs support too.

Aviation Family Network helps spouses, partners, and loved ones navigate substance use, mental health concerns, treatment, and recovery.

Education

Reliable information for aviation families learning to navigate treatment, recovery, and the HIMS process.

BOAF Al-Anon

Aviation-specific Al-Anon support for families and loved ones affected by alcoholism.

SMART Aviation Family

Practical, skills-based support rooted in SMART Recovery Family & Friends.
