2026 Partnership Proposal

Partnering with the Speed Tour Supermodified Series

- Sponsoring this amazing series is the best way to get involved. The series cannot grow and thrive without your support
- Being a sponsor does not only mean writing a check. Hotel rooms, food & drinks, gas, contingency awards are all ways to support the series.
- As this is a travelling series, travel costs are a huge expense.
- In return for your investment, you will receive your logo on every Speed Tour Supermodified, your brand announced at every event and advertising on the Speed Tour Website and multiple social media pages.
- The Speed Tour Supermodified Budget runs at approximately \$25000 to \$30000 per race with a plan to run 11 races over 6 weekends in 2026
- Multiple sponsorship levels exist to fit any budget
