Children will be encouraged to care for the environment in the school building and grounds and in the neighbourhood and wider community. Children will be encouraged to take part in competitions relating to the environment, sport, art and writing. Children will be prepared for the sacraments of First Penance, First Holy Communion, and Confirmation with the support and involvement of their parents and the parish clergy. Children will be prepared for transition to Post primary schools and consultation will take place with those schools with regard to their academic achievement and their particular talents.

An atmosphere of care, concern, respect and support for each other will be fostered in the school.
